WALKER UPDATE ON COUNTY BUILDING INSPECTIONS

MILWAUKEE – County Executive Scott Walker released the attached list of county buildings inspected this week to date. Approximately 20 buildings will be inspected each week through the middle of next month, with a comprehensive report expected at the end of August.

It is not possible to speculate on how long it will take to examine the facades of each building, and subsequently we can not provide an accurate timetable of when inspection teams will be at each of the nearly 100 facilities. Regular updates on the progress of the inspection teams will be provided. The county executive will hold a briefing on Friday, July 16.
