*\*Information sessions about the Graduate Program in Community Mental Health, offered by SNHU in Wisconsin, will be held during this Kick Off event. The program focuses on integrated community mental health and substance abuse services for adults, children, youth and families, and includes specialized course content which is relevant to the innovative, integrated services initiative in Milwaukee County. The program offers one year graduate level certificate, a Master of Science degree, and continuing education course enrollment opportunities. The master's curriculum has been pre-approved as a comprehensive program preparing graduates for licensure as a professional counselor and certification as a substance abuse counselor in Wisconsin. The program is accepting applications now for a new cohort to begin this Fall 2010 at the learning site in Waukesha.*

**A program representative will be available to provide program details for those attending the training:**
