

Health Care Resource Guide

Free and Sliding-scale fee Medical Services for Uninsured and Under-insured Residents of Milwaukee County

Updated 5-1-06

This booklet has been compiled based on information provided by various community sources. Although information has been researched and checked, missing or incorrect information or typographic errors may occur. This information is only a guide. It is the responsibility of the patient to verify any information and fees before making an appointment or receiving services.

Changes may occur after the date of publication.

The listing of services in this book does not guarantee that services will be provided.

This publication does not imply any type of contract with, referral to, or recommendation for any provider listed within the book. This information is solely informational.

It is at the patient's discretion to initiate medical services.
