## **Statement from Mayor Tom Barrett on the Pizza Man Fire Investigation**

“Today’s announcement by the ATF and Milwaukee Fire Department that the Oakland and North Pizza Man building fire was caused by arson is very disturbing. This irresponsible and despicable act put our fire fighting personnel, paramedics and residents of the building at serious risk of injury or death. I thank the men and women from local, state and federal agencies that were involved in determining the cause of the fire and for their collaborative efforts in the ongoing investigation. The ATF is offering up to a \$10,000 award, and I encourage anyone who has information to please step forward and call the Wisconsin Arson Hotline at 1-800-362-3005.”
