

## Redevelopment Authority of the City of Milwaukee

---

**Resolution No.:**

**Adopted on:** May 15, 2014  
**Project / Area:** 30<sup>th</sup> Street Industrial Corridor  
**Aldermanic District:** 15<sup>th</sup>

---

**Resolution authorizing the preferred remedial cleanup action option at the 2055-63 North 30<sup>th</sup> Street site where an EPA Brownfield Cleanup Grant will be utilized for remediation.**

Whereas, the U.S. Environmental Protection Agency (EPA) has a program to provide funds to municipalities, and/or instruments thereof such as the Redevelopment Authority for remediation of contaminated properties; and

Whereas, EPA awarded a \$200,000 environmental cleanup grant for 2055-63 North 30<sup>th</sup> Street site which is contaminated by hazardous compounds in the soil and groundwater; and

Whereas, to comply with federal National Environmental Protection Act (NEPA) requirements, grant recipients must consider the advantages and disadvantages of various remedial options, consider public comments, and choose a preferred remedial option; and

Whereas, the Analysis of Brownfield Cleanup Alternatives for the 2055-63 North 30<sup>th</sup> Street site proposes a preferred remedial option that combines soil excavation with off-site disposal, institutional and engineering controls, and groundwater monitoring for natural attenuation; and

Whereas, this option has been chosen as the preferred remedial option in the Analysis of Brownfield Cleanup Alternatives because it protects human health and the environment while allowing for flexibility in using the limited funding to close the site allowing for a variety of potential future uses; now therefore, be it

Resolved, By the Redevelopment Authority of the City of Milwaukee that the preferred remedial options identified in the attached Analysis of Brownfields Cleanup Alternatives is authorized; and be it

Further Resolved, that the proper officers of the Redevelopment Authority be and hereby are authorized and directed to enter into an agreement and/or other documents deemed necessary and agreed to by the Assistant Executive Director in order to implement the remedial action options.
