

Redevelopment Authority of the City of Milwaukee

Resolution No.:

Adopted on:

May 15, 2014

Project Area:

Blight /31st & Lisbon

Aldermanic District:

15th

Resolution authorizing an easement with Wisconsin Bell, Inc. -- AT&T at the 3024 and 3034 West Lisbon Avenue for temporary relocation of utility lines required for the Lisbon Bridge reconstruction.

Whereas, Reconstruction of the Lisbon Avenue bridge over the Union Pacific Railroad tracks interferes with existing AT&T utility lines; and

Whereas, AT&T has requested a temporary easement on the Authority's properties at 3024 and 3024 West Lisbon Avenue to relocate its utility lines during the two year construction period; and

Whereas, AT&T has been informed of potential environmental impacts at the properties and has agreed to properly handle and dispose of any environmentally impacted soils that it may disturb and to hold the Authority and the City harmless for any damages; and

Whereas, AT&T's temporary use of the property will not interfere with anticipated environmental actions at the site or potential redevelopment; now therefore, be it

Resolved, By the Redevelopment Authority, that the proper officials are authorized to execute an easement with AT&T across a portion of the properties at 3024 and 3034 West Lisbon Avenue for temporary relocation of utility lines.

CERTIFICATION

I certify that the forgoing is a true and exact copy of a resolution adopted by the Redevelopment Authority of the City of Milwaukee, WI on the date set forth above.
