

## Redevelopment Authority of the City of Milwaukee

---

**Resolution No.:**

**Adopted on:**

May 16, 2013

**Project / Area:**

Blight/205-219 & 235 West Galena Street

**Aldermanic District:**

6th

---

**Resolution authorizing up to a \$1,250,000 loan from the EPA Brownfield Revolving Loan Fund to The Brewery Works, Inc. to be used on properties at 205-219 W. Galena, 235 W. Galena, Milwaukee, Wisconsin.**

Whereas, the Environmental Protection Agency (EPA) has awarded \$8.95 million dollars in total Brownfield Revolving Loan Fund (BRLF) funding to the Authority for the purpose of making loans and subgrants in support of environmental cleanup on brownfield properties in Milwaukee; and

Whereas, For the Authority to utilize EPA revolving loan funds to finance environmental remediation for a property outside an urban renewal area, the property must be found to be blighted pursuant to Section 66.1333(5)(c), Wisconsin Statutes, which enables the Redevelopment Authority of a first class city to declare property blighted without designating a boundary or adopting a redevelopment plan; and

Whereas, the properties at 205-219 W. Galena, 235 W. Galena, Milwaukee, Wisconsin, are located on approximately 1.5 acres in the Park East redevelopment area. The properties are impacted by chlorinated volatile organic compounds and arsenic concentrations in soil and groundwater as well as asbestos containing and lead based paint containing materials and PCB contamination. The contamination at these properties meets the statutory blight definition and are therefore eligible candidates for remediation using EPA loan funds; and

Whereas, The Brewery Works, Inc. is constructing a commercial development with a total estimated investment of \$25 million, and

Whereas, the EPA loan funds can be loaned at a lower interest rate than The Brewery Works, Inc. can secure through other financing and helps ensure project feasibility; and

Whereas, the term sheet attached hereto contemplates the Authority and The Brewery Works, Inc. are entering into a loan agreement for \$1,250,000 for environmental remediation; and

Whereas, the current owner of the land, The Brewery Works, Inc., waived its right on May 3, 2013 to the statutory public notice pursuant to the provisions of Section 66.1333(5)(c) of Wisconsin Statutes and a Public Hearing on the blight designation; and

Whereas, To comply with federal National Environmental Protection Act (NEPA) requirements, loan recipients must consider the advantages and disadvantages of various remedial options, consider public comments, and choose a preferred remedial option; and

Whereas, the remedial options at these properties includes Soil Excavation Alternative With Demolition of the Building and PCB Contamination Remediation at 205-19 W Galena St and Removal of Asbestos and Lead Based Paint Containing Materials at both Structures combined with monitoring and natural

attenuation for groundwater impacts. This combination has been selected as the most time efficient and cost efficient remedial action approach to protect human health, achieve case closure and support the proposed future use of the property; therefore be it

Resolved, By the Redevelopment Authority of the City of Milwaukee that the properties at 205-219 W. Galena, 235 W. Galena, Milwaukee, Wisconsin, are found to be blighted pursuant to Section 66.1333(2m)(bm), Wisconsin Statutes by virtue of their environmental condition, for the purpose of using EPA revolving loan funds to finance the remediation; and, be it

Further Resolved, that the Authority will provide up to a \$1,250,000 loan from its EPA Revolving Loan Fund to The Brewery Works, Inc. for site remediation; and be it

Further Resolved, that the preferred remedial option for the properties identified in the attached Analysis of Brownfield Cleanup Alternatives is authorized; and be it

Further Resolved, That the proper officers of the Redevelopment Authority are authorized and directed to take all necessary actions and provide necessary assistance needed to carry out the intent and purpose of this resolution and the attached Term Sheet.

---

**CERTIFICATION**

I certify that the forgoing is a true and exact copy of a resolution adopted by the Redevelopment Authority of the City of Milwaukee, WI on the date set forth above.
