- 1. Finding and Determination.** It has been found and determined and is hereby declared that the payments required to be made by the Borrower under the Loan Agreement are sufficient in amount to pay when due the principal of, premium, if any, and interest on the Bonds.
- 2. Contract with Borrower; Authorization to Borrow and Lend.** The Authority shall borrow, but only in the manner herein recited, a sum not to exceed \$60,000,000 principal amount for the purpose of (i) refunding the Bonds to be Refunded, (ii) paying the costs of issuing and selling the Bonds, and (iii) paying such other costs related thereto as are permitted to be paid with bond proceeds under the Act. Said borrowing shall be accomplished through the sale of the Bonds issued pursuant to the Act and the Enabling Legislation. The Authority shall lend a sum of not to

exceed \$60,000,000 principal amount of bonds to the Borrower pursuant to the terms of the Loan Agreement, which borrowing shall be evidenced by the Promissory Note. The Third Supplemental Loan Agreement is hereby approved as necessary to effectuate the purposes of the Act and the Enabling Legislation. The Chairperson and the Executive Director are hereby authorized and directed for and in the name of the Authority to execute and deliver the Third Supplemental Loan Agreement in the form thereof presented herewith or with such insertions therein or corrections thereto as shall be approved by them consistent with this resolution, their execution thereof to constitute conclusive evidence of their approval of any such insertions and corrections.

- 3. Designation, Denomination, Tenor and Maturity of Bonds Created for Issuance.** The Bonds shall be issued in a principal amount of not to exceed \$60,000,000 and shall be designated as follows:

REDEVELOPMENT AUTHORITY OF THE CITY OF MILWAUKEE (WISCONSIN) REFUNDING
REVENUE BONDS, SERIES 2012A
(MILWAUKEE PUBLIC SCHOOLS - NEIGHBORHOOD SCHOOLS INITIATIVE)

The Bonds shall be substantially in the form, shall have the maturities and redemption provisions and shall bear interest as shall be set forth in the Indenture. The Bonds shall have such maturities and sinking fund redemption schedules and shall bear interest at such rates per annum as the Borrower shall recommend and the Chairperson, Vice Chairperson or other officer of the Authority executing the Indenture shall approve.

The aggregate principal amount of Bonds shall be the smallest amount necessary (given the parameters set forth herein) to provide for the costs of the refunding of the Bonds to be Refunded as follows:

- (a) deposit an amount into the account created under the Escrow Agreement (the “*Escrow Account*”) sufficient to purchase securities maturing in such amounts and on such dates which will be sufficient, together with investment earnings thereon, to pay interest on the Bonds to be Refunded until the redemption date thereof and the redemption price of the Bonds to be Refunded; and
- (b) variable financing costs (including underwriter’s discount) equal to no more than 2% of the aggregate principal amount of the Bonds.

The day on which the principal amounts and interest rates for each maturity of the Bonds are determined is the “*Date of Pricing*”. The interest rates on each maturity of the Bonds shall be those rates (but shall not exceed those rates), as certified by the Underwriters in the Bond Purchase Agreement, necessary in their judgment to provide for a sale of all of the Bonds to the public on the Date of Pricing, and the interest rates and principal amounts of each maturity of the Bonds, shall result in a present value savings, as certified by the Underwriters pursuant to a methodology acceptable to the Comptroller of the City of Milwaukee or his designee. The principal amount of Bonds of each maturity shall further be those amounts, consistent with the foregoing sentence, which would result in a Net Interest Cost on the Bonds of not to exceed 5%. Interest on the Bonds shall be calculated on the basis of a 360-day year composed of twelve 30-day months. To the extent permitted by law, overdue principal, premium, if any, and interest shall bear interest at the same rate as was borne by the Bonds on the due date of the payment that is delinquent.

The Bonds shall be issuable as fully registered Bonds in denominations of \$5,000 or any multiple thereof. The Bonds and the interest thereon shall be transferable by and shall be payable to the

registered owners thereof in the manner and with the effect provided in the Indenture. The principal of, premium, if any, and interest on the Bonds shall be payable in lawful money of the United States of America at the principal corporate trust office of the Trustee, as paying agent, or the office of any successor or additional paying agent designated by the Authority and approved by the Borrower.

The Bonds shall have as their original issue date the date of issuance of the Bonds. Each Bond shall be dated, as its registration date, the date of its authentication.

The Bonds shall be issued in the form therefore as set forth in the Indenture, with such insertions therein as shall be necessary to comply with the terms of this Resolution and with such corrections therein, if any, as the approving bond attorney may require for conformity with the terms of this Resolution, the Indenture, the Act, the Enabling Legislation and any additional supplemental indentures, if any.

- 4. Execution and Authentication of Bonds.** The Bonds shall be executed on behalf of the Authority with the facsimile or manual signature of its Chairperson, countersigned with the facsimile or manual signature of its Executive Director and shall have impressed, imprinted or otherwise reproduced thereon an official seal, if any, of the Authority or a facsimile thereof. No Bond shall be issued unless first authenticated by the Trustee (as fiscal agent and bond registrar), to be evidenced by the manual signature of an authorized signatory of the Trustee on each Bond.
- 5. Designation of Trustee.** The Authority hereby designates and appoints The Bank of New York Mellon Trust Company, N.A. to perform the functions of Trustee under the Indenture.
- 6. Bonds as Limited Obligations.** The Bonds and interest thereon shall never be or be considered a general obligation of the Authority or the City or an indebtedness of the Authority or the City within the meaning of any State constitutional provision or statutory limitation and shall not constitute or give rise to a pecuniary liability of the Authority or the City or a charge against their general credit or the City's taxing powers.
- 7. Source of Payment; Pledge of Revenues.** The Bonds shall be limited obligations of the Authority payable by it solely from revenues and income derived by or for the account of the Authority from or for the account of the Borrower pursuant to the terms of the Promissory Note, the Indenture and the Loan Agreement; including without limitation: (i) all cash and securities held from time to time in the Trust Funds (other than the Rebate Fund), and the investment earnings thereon; and (ii) all payments by the Borrower on any Promissory Note or pursuant to the Loan Agreement; but excluding any amounts derived by the Authority for its own accounts pursuant to enforcement of Unassigned Rights (as defined in the Indenture).

As security for the payment of the principal of, premium, if any, and interest on the Bonds, the Authority shall pledge and assign to the Trustee all of its right, title and interest in and to the "Trust Estate" described in the Indenture.
- 8. Redemption of Bonds Prior to Maturity.** The Bonds shall be subject to mandatory and optional redemption prior to maturity as provided in the Indenture.
- 9. Trust Funds.** The trust funds and accounts created under the Indenture to be held in the custody of the Trustee and applied for the uses and purposes provided in the Indenture are hereby authorized and approved.

10. **Investment of Trust Funds.** Any moneys held as a part the trust funds held by the Trustee under the Indenture may be invested and reinvested by the Trustee in “*Qualified Investments*” in accordance with, and as defined in, the Indenture.
11. **Execution and Delivery of the Promissory Note, the Third Supplemental Loan Agreement, the Escrow Agreement and the Fourth Supplemental Indenture.** The terms and provisions of the Promissory Note, the Third Supplemental Loan Agreement, the Escrow Agreement and the Fourth Supplemental Indenture are hereby approved. The Chairperson and the Executive Director are hereby authorized for and in the name of the Authority to execute and deliver the Third Supplemental Loan Agreement and the Escrow Agreement and the Fourth Supplemental Indenture and the assignment of the Promissory Note, in the forms thereof presented herewith, or with such insertions therein or corrections thereto as shall be approved by the Chairperson and the Assistant Executive Director consistent with this Resolution and the terms of the Act, their execution thereof to constitute conclusive evidence of their approval of any such insertions and corrections.
12. **Execution and Delivery of the Bond Purchase Agreement.** The Borrower will negotiate for the sale of the Bonds pursuant to the Bond Purchase Agreement with the Underwriter at a purchase price not less than 98.5% of the par amount of the Bonds. Given the purposes of the financing and the involvement of the Authority therewith, it is the determination of this body that the Bonds shall be awarded to the Underwriters at the parameter of prices aforesaid, with delivery of the Bonds to follow in the manner, at the times and subject to the conditions set forth in the Bond Purchase Agreement and this Resolution. As evidence thereof the Chairperson and the Assistant Executive Director are hereby authorized and directed for and in the name of the Authority to execute, affix with the official seal of the Authority and deliver the Bond Purchase Agreement in the form presented herewith, or with such insertions therein or corrections thereto as shall be approved by the Chairperson and Assistant Executive Director consistent with this Resolution and the terms of the Act, their execution thereof to constitute conclusive evidence of their approval of any such insertions and corrections.
13. **Determination of Revenue Payment.** The amount necessary in each year to pay the principal of, premium, if any, and interest on the Bonds is the sum of (i) the amount of principal becoming due in such year (as reduced from time to time by reason of prior redemptions and purchases of Bonds for cancellation in accordance with the Indenture); plus (ii) the amount of interest on the Bonds becoming due in such year in accordance with the interest rates determined as specified in paragraph 3 of this Resolution.

In expressing the Borrower’s obligation to make the necessary revenue payments, it shall suffice herein and in the Loan Agreement to state that the Borrower shall be obligated to pay the Authority (or the Trustee for the account of the Authority) amounts sufficient to pay when due the principal of, premium, if any, and interest on the Bonds.
14. **Authorization of Official Statement.** The distribution by the Underwriters of the Preliminary Official Statement and the preparation and distribution of a final Official Statement (in substantially the form of the Preliminary Official Statement, with blanks completed) in connection with the offering and sale of the Bonds is hereby authorized and approved.
15. **Execution and Delivery of the Bonds.** The Chairperson and the Assistant Executive Director are hereby authorized for and in the name of the Authority to execute the Bonds in the manner authorized by paragraph 4 of this Resolution.
