Project / Area:

Avenues West/27th and Wisconsin

Aldermanic District:

Resolution authorizing the issuance of redevelopment revenue bonds (WIS27, LLC Project).

Whereas, the Redevelopment Authority of the City of Milwaukee, Wisconsin (the "Authority") is a redevelopment authority organized by the City of Milwaukee, Wisconsin (the "City"), and existing under and pursuant to the laws of the State of Wisconsin and is authorized by Wisconsin Statute section 66.1333 (the "Act"):

1. To carry out redevelopment and urban renewal projects within the City;
2. To assist private acquisition, improvement and development of blighted property;
3. To enter into contracts with redevelopers of property; and
4. To issue bonds or other indebtedness to finance its activities;

Whereas, pursuant to Resolution Number 10344, the Authority gave conditional approval to issue revenue bonds of the Authority pursuant to the Act in one or more series in an aggregate amount not to exceed \$10,400,000 (the "Bonds") to finance a project on behalf of WIS27, LLC, a Wisconsin limited liability company (the "Project Owner");

Whereas, such project will be owned by the Project Owner and consist of the following (collectively, the "Project"):

- (i) acquisition of real property located at the corner of West Wisconsin Avenue and North 27th Street in the City (the "Project Site"), the construction of an approximately 64,000 square foot office building and associated parking thereon and related improvements to be leased initially to the State of Wisconsin, Department of Administration; and
- (ii) payment of certain expenses incurred in connection with the issuance of the Bonds;

Whereas, By Resolution Number _____ adopted _____, following a public hearing held that same date, the Authority created a boundary for the Avenues West Redevelopment Project Area for a redevelopment area that includes the Project Site;

Whereas, By Resolution Number _____ adopted _____, the Common Council of the City of Milwaukee approved the boundary;

Whereas, the Project Owner has estimated that the cost of the Project and related costs and expenses would not be less than \$11,000,000 and the Project Owner has represented to the Authority that it would

be an encouragement and inducement for the Project Owner to proceed with the Project if it could be financed with revenue bonds issued by the Authority;

Whereas, the proceeds of the Bonds (the "Proceeds") would be lent to WIS27 Leverage Lender, LLC, a Wisconsin limited liability company (the "Leverage Lender");

Whereas, the Leverage Lender would lend the Proceeds directly to a single purpose limited liability company wholly owned by JPMorgan Chase Bank, N.A. or one of its affiliates (the "Investment Fund");

Whereas, the Investment Fund contribute as capital contributions the Proceeds, together with certain other funds of the Investment Fund, directly to two single purpose limited liability companies owned by the Investment Fund and, in the case of the first such company, by JPMorgan Chase Bank, N.A. or one of its affiliates and, in the case of the second such company, by BMO Harris Bank N.A. or one of its affiliates (collectively, the "Lender");

Whereas, the Lender would lend the Proceeds, together with such other funds, directly to the Project Owner to finance the Project; and

Whereas, it is the finding and determination of this body that the public interest will be served if the Authority were to provide financing under the Act for the Project in the City; now, therefore, be it
