

Redevelopment Authority of the City of Milwaukee

Resolution No.: 10327
Adopted on: December 15, 2011

Resolution authorizing an amendment to a contract between the Redevelopment Authority of the City of Milwaukee and Precision Consulting for the maintenance and transition of maintenance of various databases through the end of January, 2012.

Whereas, The Redevelopment Authority and the Department of City Development have over twenty (20) custom databases and applications that need to be maintained and serviced; and

Whereas, Precision Consulting is responsible for the creation of the databases and user interfaces, including the e-permits system, an environmental database, and project tracking database, which enables them to be uniquely qualified to offer their services to the Authority; and

Whereas, the City of Milwaukee 2012 Adopted Budget includes position authority and funding in the Department of Administration Information and Technology Management Division (ITMD) for additional staff to assume the responsibility of maintenance and service of these databases and applications; and

Whereas, to ensure the smooth transition of database and application maintenance to ITMD it will be necessary to have Precision Consulting staff work directly with the newly hired ITMD staff throughout January 2012; and

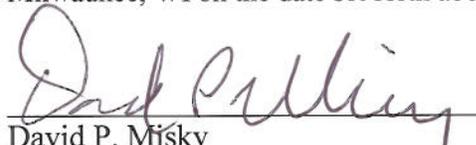

Whereas it is recommended to extend the contract period through January 2012 and in an amount not to exceed \$24,800 for continued database support and transition to ITMD; now, therefore be it

Resolved, That the proper officers of the Authority are authorized and directed to enter into an amended contract with Precision Consulting for the maintenance and transition of maintenance of the Authority's and Department of City Development's databases and custom applications.
