

Redevelopment Authority of the City of Milwaukee

Resolution No.:

Adopted on: December 19, 2013

Project Area: Administration

Aldermanic District: 1st

Resolution authorizing an Intergovernmental Cooperation Agreement with the Milwaukee Metropolitan Sewerage District to provide acquisition and relocation services.

Whereas, The Redevelopment Authority has provided the Milwaukee Metropolitan Sewerage District (MMSD) with real estate acquisition and relocation services on a consulting basis for MMSD's flood mitigation project along the Kinnickinnic River between North 6th Street and North 17th Street; and

Whereas, MMSD has been pleased with the Authority's services and has requested that these services also be provided by Authority staff for its Wet Weather Relief Project in the 30th Street Corridor where seven to nine properties have been approved for acquisition by MMSD; and

Whereas, Providing these services to MMSD would be balanced with the continuing Kinnickinnic River consulting services, would not interfere with the Authority's acquisition and relocation efforts and would complement the City's and the Redevelopment Authority's efforts in the 30th Street Corridor; and

Whereas, MMSD has drafted an Intergovernmental Cooperation Agreement for these services that is substantially similar to the agreement used by MMSD and the Authority for the Kinnickinnic River Project; and

Whereas, Compensation received from MMSD will be used to reimburse the General Fund for staff expenditures and will improve the budget position of the Authority; now, therefore be it

Resolved, By the Redevelopment Authority of the City of Milwaukee, that the Executive Director is authorized to complete negotiations on the Intergovernmental Cooperation Agreement with MMSD for the 30th Street Corridor Wet Weather Relief Project and to and execute the agreement upon completion of the negotiations upon review and approval of the final document by the City Attorney, and, be it

Further Resolved, That revenue received from MMSD shall be placed in the general fund to fund staff expenditures and/or to reimburse the Authority for expenses it may incur with this project.
