### PRESS RELEASE

#### **MILWAUKEE FIRE AND POLICE COMMISSION PUBLISHES 2009 ANNUAL REPORT**

The FPC has published its 2009 annual report. The report highlights public safety initiatives and department programs to keep Milwaukeeans safe. The report also provides a detailed analysis of citizen complaints, employee disciplines, and demographic profiles of fire and police department members.

In 2009 the FPC permanently adopted its new citizen complaint program. This program includes the latest innovations in civilian oversight, such as independent investigations by FPC investigators, a rapid resolution program, mediation of complaints, and an emphasis on citizen satisfaction. The report analyzes the first full year of the new citizen complaint program.

The report can be viewed and downloaded from the FPC website at <http://www.city.milwaukee.gov/fpc>.
