

SEMINARS FOR HOMEOWNERS

Through a partnership with We Energies, the MREA is able to offer short, low-cost, seminars for consumers to learn about the basics of renewable energy systems. Each seminar is three hours and includes handouts, lecture, and a question and answer period. There are no prerequisites, but pre-registration is required.

COSTS: \$15 or \$5 (for We Energies' Energy for Tomorrow customers)
Get details and register online [HERE](#)

UPCOMING SEMINAR DATES

- [Solar 101 for Consumers](#): March 20, 2010 - 9am-12 noon - Havenwoods State Park
- [Wind Systems for Consumers](#): March 23, 2010 - 5:30-8:30pm - Outpost Natural Foods, Bay View

WORKSHOPS FOR PROFESSIONALS

#

Through a partnership between the City of Milwaukee-Milwaukee Shines and the MREA, these workshops were made possible.

Renewable Energy Business Workshops

- [Business Planning for Solar Installers](#) - Milwaukee, WI Mar 27, 2010
- [Greening Your Event](#) - Milwaukee, WI Mar 27, 2010

Photovoltaic Workshops (Solar Electric)

Basic Photovoltaics

- [PV 101.25 Basic Photovoltaics](#) - Milwaukee, WI Mar 07, 2010
- [PV 101.29 Basic Photovoltaics](#) - Milwaukee, WI Mar 27, 2010
- [PV 101.34 Basic Photovoltaics](#) - Milwaukee, WI Apr 22, 2010
- [PV 101.40 Basic Photovoltaics](#) - Milwaukee, WI Aug 28, 2010

Photovoltaic Site Assessor Training

- [PV 201.06 PV Site Assessor Training](#) - Milwaukee, WI Mar 27, 2010

Intermediate Photovoltaics

- [PV 205.08 Intermediate Photovoltaics](#) - Milwaukee, WI Feb 22, 2010 - Feb 23, 2010
- [PV 205.11 Intermediate Photovoltaics](#) - Milwaukee, WI Mar 15, 2010 - Mar 16, 2010
- [PV 205.13 Intermediate Photovoltaics](#) - Milwaukee, WI Apr 23, 2010 - Apr 24, 2010
- [PV 205.05 Intermediate Photovoltaics](#) - Milwaukee, WI Apr 30, 2010 - May 1, 2010

PV Design and Installation Lab

- [PV 301.18 Pv Design & Installation Lab](#) - Milwaukee, WI March 17, 2010 - March 20, 2010

- [PV 301.20E PV Design and Installation Lab for Electricians](#) - Milwaukee, WI April 5, 2010 - April 8, 2010
- [PV 301.07 PV Design and Installation Lab](#) - Milwaukee, WI May 05, 2010 - May 08, 2010

More Advanced Photovoltaics Workshops held in central Wisconsin.

Solar Thermal Workshops

Solar Domestic Hot Water Systems & Space Heating

- [SW 101.08 Solar Domestic Hot Water Systems](#) - Milwaukee, WI Feb 23, 2010
- [SW 101.09 Solar Domestic Hot Water Systems](#) - Milwaukee, WI Jun 01, 2010

Solar Water Site Assessor Training

- [SW 201.03 Solar Water Site Assessor Training](#) - Milwaukee, WI Mar 27, 2010

Solar Water Heating Installation Lab

- [SW 301.08P Solar Water Heating Installation Lab FOR PLUMBERS](#) - Milwaukee, WI Apr 26, 2010 - Apr 28, 2010
- [SW 301.09P Solar Water Heating Installation Lab FOR PLUMBERS](#) - Milwaukee, WI May 05, 2010 - May 07, 2010
- [SW 301.10 Solar Water Heating Installation Lab](#) - Milwaukee, WI Jun 02, 2010 - Jun 04, 2010

Wind Workshops

Introduction to Wind Systems

- [W 101.01 Introduction to Wind Systems](#) - Milwaukee, WI Mar 27, 2010
- [W 101.04 Introduction to Wind Systems](#) - Milwaukee, WI Aug 14, 2010
