

# Executive Update

Milwaukee County Executive Scott Walker's Weekly Newsletter

February 5, 2010

## Message from County Executive Walker

*The weekly meetings I am having with my budget staff, and County Board Chairman Lee Holloway, Finance Committee Chair Elizabeth Cogg and their staff continue, and we are focused on balancing this year's budget. This week we invited the union leadership representing Milwaukee County employees to join us for a briefing on the status of the 2010 adopted budget. All of the unions except DC 48 sent representatives for the Power Point presentation (click here to view the presentation: <http://tinyurl.com/ygrhxeu>).*

*The actual negotiations on potential concessions will be done by the county labor negotiator. Each year the gap increases, and we will continue to find ways to resolve any budget gaps.*

Scott

## Local arts organizations receive funding

County Executive Walker recognized approximately 40 local arts groups associated with the Cultural, Artistic and Musical Programming Advisory Council (CAMPAC) this week at In Tandem Theatre Company's Tenth Street Theatre. Milwaukee County committed more than \$316,000 to eligible cultural and performing arts groups. Representatives from the organizations received their grant funding at the event, along with a short barbershop quartet performance by members of *Midwest Vocal Express* (photo below).

For a complete listing of the arts groups that received funding, click on the following link:

## Corporation Counsel accepts judgeship

County Executive Walker and Chairman Lee Holloway presented an historic joint citation to Corporation Counsel Bill Domina at his last County Board meeting. Domina was honored for his fairness and integrity in finding common ground between the legislative and executive branches and his achievements at Milwaukee County over the past seven years. He accepted an appointment as Circuit Court Judge in Waukesha County.

## Keynote speaker

County Executive Walker was the keynote speaker at the Milwaukee Chapter of the American Electroplating and Surface Finishers (AESF) meeting (photo above) this week. AESF is an educational society that promotes the training and advancement of science and technology in their industry, along with offering scholarships for the Milwaukee Regional Science and Engineering fair.
