**WALKER STATEMENT ON TODAY'S COUNTY BOARD ACTION**

MILWAUKEE – County Executive Scott Walker issued the following statement on today's County Board actions:

The votes today on the various employee contracts and furlough days are a good sign that the members of the County Board recognize the true budget challenges faced by the county in 2010 and beyond. I want to particularly thank Chairman Lee Holloway for his leadership and I look forward to working with him and the other members of the County Board as we pursue reforms that will balance the 2010 budget and insure the financial sustainability of Milwaukee County.
