WALKER STATEMENT ON FORMER SUPERVISOR TONI CLARK

MILWAUKEE – County Executive Scott Walker issued the following statement regarding former Supervisor Toni Clark’s resignation from the Milwaukee County Board:

"We are called to earn the trust of the public, not just through an election or merely by words, but by our actions each and every day. Former Supervisor Toni Clark failed the people she was elected to serve. It is good that she resigned from office. It is also a reminder to all others in office that we must maintain the highest ethical standards.

As for the new vacancy on the County Board, I believe that the taxpayers who live in the 2nd Supervisory district deserve representation. With this in mind, I will set the date for a special election as soon as practicable and will work with the Milwaukee County Election Commission staff to select reasonable and responsible dates for primary and general elections."
