**WALKER HIGHLIGHTS ANOTHER AWARD FOR PARKS**

MILWAUKEE – County Executive Scott Walker noted today that the Milwaukee County Parks Department has received yet another award. The David F. Schulz Aquatic Center at Lincoln Park was awarded the State Farm Insurance “Building Blocks Award” in the large project category at the 11<sup>th</sup> Annual Milwaukee Awards for Neighborhood Development Innovation (MANDIs) program last night.

“The David F. Schulz Aquatic Center has rejuvenated Lincoln Park,” said Walker. “It’s wonderful to see the water park receive recognition for increasing a sense of community around Lincoln Park.”

The program notes that the Building Blocks Awards are given to the outstanding real estate development projects that contribute to the rebuilding of Milwaukee’s neighborhoods. The David F. Schulz Aquatic Center was singled out for being a cultural landmark that serves as a social and recreational hub in the Lincoln Park neighborhood.

The David F. Schulz Aquatic Center, 1301 W. Hampton Avenue, was completed in June and features the largest outdoor Lazy River in the region, heated pools, zero depth entry, lap lanes, diving boards, tube and body slides, and an interactive children’s play area.

David F. Schulz was an enthusiastic Parks Director prior to serving as Milwaukee County Executive from 1988 – 1992. He passed away in 2007. For more information, visit [www.countyparks.com](http://www.countyparks.com).
