I. POLICY

It is the policy of Wraparound Milwaukee that when the youth's parents are unavailable or unwilling to consent for treatment services, a petition must be filed with Children's Court for a Transfer of Temporary Guardianship Order to obtain necessary treatment or services for the youth in accordance with Wisconsin Statute 880.15. **For youth under a CHIPS Order, the Bureau of Milwaukee Child Welfare is responsible for securing temporary guardianship with the assistance of the Care Coordinator. For youth under a Delinquency Order, that responsibility falls to the Care Coordinator and the Probation Officer.**

II. PROCEDURE

Care Coordinators must utilize the following procedures to obtain temporary guardianship in both emergency and non-emergency situations. Requests for temporary guardianships fall into the following five categories. Each category has its own procedure to obtain the temporary guardianship that matches the time frame necessary for the specific situation.

For CHIPS youth, the Care Coordinator should contact the On-Going Case Manager with the Bureau of Milwaukee Child Welfare, who must follow their own protocols for obtaining the guardianship.

A. Temporary Guardianship (Imminent Need)

This section refers to situations regarding treatment issues that need legal action as quickly as possible (i.e., guardian signature for referrals to be sent out, or for placement in an RCCCY).

The procedures that the Care Coordinators must follow for obtaining a temporary guardianship (Imminent Need) order are as follows:

For a CHIPS Youth, the Care Coordinator must contact the BMCW Case Manager to request the Temporary Guardianship. The Care Coordinator should be prepared to assist the BMCW Case Manager in this process by gathering and documenting information regarding the need for the Temporary Guardianship and by assisting in the reasonable effort attempts to contact the parent or guardian.

For a Delinquent or JIPS Child:

1. Gather and document information regarding the specifics of the treatment or service need.
2. Consult with Supervisor and obtain the Supervisor's approval.
3. Reasonable efforts (a minimum of three [3] in-person attempts on three [3] separate days) must be made to reach the parent(s)/guardian prior to submission of the Temporary Guardianship Worksheet. **The Care Coordinator should maintain constant and regular contact with the Probation Officer throughout this time period.**
4. Consult with the Wraparound Milwaukee Liaison.
5. Fill out the TEMPORARY GUARDIANSHIP WORKSHEET (*see Attachment 1*).
6. Fax the TEMPORARY GUARDIANSHIP WORKSHEET to the Wraparound Milwaukee Liaison. Call the Liaison and confirm that it was received.

7. Be available to deliver the request to Court and supply the Probation Officer with sufficient information for them to write the petition.
8. Be available to appear in Court to give testimony regarding the details of the situation and the need for the granting of temporary guardianship.
9. After the hearing, make copies of the Guardianship Order for the caregiver, the Wraparound Liaison and the Agency file. File a set of copies in the Agency record and give a set of copies to the caregiver.
10. Take the Guardianship Order and the necessary Consents or Admission form(s) that need a guardian's signature to the proper State, County, or Wraparound Administrator for their signature.
11. Provide copies of the signed Consents to the caregiver, the Wraparound Liaison and for the Agency file.
12. Discuss with the Care Coordination Supervisor what planning might be needed when the sixty-day Temporary Guardianship Order expires.

Please Note: The Probation Officer may also secure the temporary guardianship, with assistance from the Care Coordinator.

B. Emergency Temporary Guardianship.

This section refers to emergencies that require immediate attention (i.e., emergency surgery or immediate inpatient hospitalization for any reason).

The procedures that the Care Coordinators must follow for obtaining an emergency temporary guardianship order are as follows:

For a CHIPS Youth the Care Coordinator must immediately contact the BMCW Case Manager or Supervisor.

If they are unavailable or unresponsive, the Care Coordinator must call the BMCW emergency number at 220-SAFE (220-7233). The Care Coordinator should be prepared to assist BMCW in this process by gathering and supplying the information that will be required to document to the Court the need for this emergency action.

For a Delinquent or JIPS Youth:

1. Gather and document information regarding the specifics of the emergency, maintaining constant and regular contact with the Probation Officer.
2. Consult with Supervisor and obtain Supervisor's approval.
3. Consult with Wraparound Milwaukee Liaison.
4. Fill out the TEMPORARY GUARDIANSHIP WORKSHEET (*see Attachment 1*).
5. Fax the TEMPORARY GUARDIANSHIP WORKSHEET to the Wraparound Milwaukee Liaison. Call the Liaison and confirm that it was received.
6. Be available to deliver the request to Court and supply the Probation Officer with sufficient

information for them to write the petition.

7. Be available to appear in Court to give testimony regarding the details of the emergency and the need for the granting of temporary guardianship.
8. After the hearing, make copies of the Guardianship Order for the caregiver, the Wraparound Liaison and the Agency file.
9. Take the Guardianship Order and the necessary Consents or Admission form(s) that need a guardian's signature to the proper State, County, or Wraparound Administrator for their signature.
10. Provide copies of the signed Consents to the caregiver, the Wraparound Liaison and for the Agency file.
11. Discuss with the Agency Supervisor what planning might be needed when the sixty-day Temporary Guardianship Order expires.

C. Emergency - Same Day (after hours or weekend) Temporary Guardianship.

Contact staff at the Milwaukee Bureau of Child Welfare at 220-7233 regarding any weekend or after-hours requests for Temporary Guardianship that are emergent and require immediate (same day) attention.

D. Non-Emergency Temporary Guardianship - An Order that is Needed in Less than a Month's Time.

Non-emergencies that need resolutions in less than a month's time (i.e., referrals to IEP-Team, therapy consents, and other consents needed to maintain the placement, etc.).

The procedures the Care Coordinator must follow for obtaining a non-emergency temporary guardianship order (an order that is needed in less than a month's time) are the same as those described above under Section A, entitled "Emergency - Same Day Temporary Guardianship". There is one additional step.

In addition, after being notified of the Court date, notify the parent(s)/guardian of the hearing, utilizing the NOTICE OF TEMPORARY GUARDIANSHIP HEARING form (*see Attachment 2*).

E. Non-Emergency Temporary Guardianship - An Order that is Needed in more than a Month's Time

This section relates to non-emergencies that can wait for the District Attorney's or Clerk's Office to schedule and notify the parents of the hearing (this usually takes at least a month).

The procedures that the Care Coordinator must follow for obtaining a non-emergency temporary guardianship order (an order that is needed in more than a month's time) are the same as the above non-emergency procedures, except that the Care Coordinator does not have to provide written notice of the court hearing to the parent(s)/guardian. This will be done by the Clerk's Office.
