Dear Constituent:

Thank you for giving me the opportunity to continue to be your representative in County government. It is an honor and privilege to serve you.

To the neighbors who live near 76th Street between Oklahoma and the Greenfield border, the long awaited 76th Street repaving is finally over! Thank you for your patience.

Summer is here, and I hope you all have an opportunity to enjoy the many summer activities and events offered in Milwaukee County. Your tax dollars fund some of these activities and, with the cost of everything going up this summer, you might consider having some fun in your own backyard.

There are a number of County parks available for you to enjoy. We also offer special "free days" for Milwaukee County residents to enjoy complimentary admission to museums and the zoo.

Milwaukee County Supervisor, 11th District
