Anna C. Benton Named Maternal and Child Health Division Manager for the City of Milwaukee Health Department

The City of Milwaukee Health Department is pleased to announce that Anna Benton has been named the new Maternal and Child Health Division Manager. In her new role she will be responsible for program management and development of maternal and child health programs including Perinatal and Reproductive Health Programs, Infant and Preschool Health Programs, Health Outreach Case Management Programs, the Empowering Families of Milwaukee project and the Women, Infants and Children's Nutrition Program (WIC).

"I am delighted that Anna has joined our team," said Commissioner of Health Bevan K. Baker. "Anna's public health experience and strong management skills will assist us in achieving some very important public health objectives"

Anna holds a masters degree in International Development from the University of East Anglia in Norwich, UK. Ms. Benton has extensive experience in international public health programs, managing U.S. Government-funded health projects in developing countries, and is a strong advocate in promoting women's health and rights.
