

"ONE STOP"

Rabies Vaccination, License, & Microchip Service

What's a pet to do? We don't carry wallets!

The Benefits of Vaccinating, Licensing and Microchipping Your Pet:

Peace of Mind: 24 hr. identification and we assume the animal is owned and loved.

A Ticket Home: A license is a ride home. Last year only 15% of stray animals at MADACC returned home.

Safe Shelter: Good food. A warm bed and emergency care.

It's the Law!: Protection against rabies virus and license registration are required by WI State Statute.

Vaccinate, License & Microchip your pet today!

**Milwaukee Area Domestic Animal Control Commission
(MADACC)**
