MISSION

The mission of the Milwaukee County Election Commission is to administer Federal, State, County and Municipal elections in a manner that assures public confidence in the accuracy, efficiency and fairness of the election process and to enforce State election and campaign finance laws.

DEPARTMENT DESCRIPTION

The Election Commission budget includes the following two programs:

1. Spring Elections – The primary and general elections held in the spring are Judicial, County, municipal and school board elections. Municipalities reimburse the County for their share of expenses. The County must absorb all costs for Federal, State, Judicial and County elections. In presidential election years, there is also a presidential preference election.
2. Fall Elections – The primary and general elections held in the fall are primarily State and national elections, with the exception of elections for County constitutional officers. Almost all costs of Fall elections are not reimbursed to the County and are, therefore, tax levy.

BUDGET HIGHLIGHTS

- Personal Services expenditures without fringe benefits decrease by \$10,383 from \$195,148 to \$184,765. This is primarily due to the unfunding of 0.48 FTE of an Election Clerk position.
- The workload of the Election Commission varies significantly from year to year according to the number and type of elections anticipated. Because 2007 is a two-election year as opposed to a four-election year, various appropriations decrease, including the following:
 - The appropriation for Ballots and Election Supplies decreases \$371,029 from \$600,000 to \$228,971.
 - The appropriation for Election Clerks who assist in the Election Commission Office during peak activity decreases \$9,105 from \$20,974 to \$11,869.
 - Revenues generated from holding elections decrease by \$16,773 from \$44,283 to \$27,510 based on actual experience.
- All fees remain at the 2006 level.
- All departments are required to operate within their expenditure appropriations and their overall

budgets. Pursuant to Section 59.60(12), Wisconsin Statutes, "No payment may be authorized or made and no obligation incurred against the county unless the county has sufficient appropriations for payment. No payment may be made or obligation incurred against an appropriation unless the director first certifies that a sufficient unencumbered balance is or will be available in the appropriation to

make the payment or to meet the obligation when it becomes due and payable. An obligation incurred and an authorization of payment in violation of this subsection is void. A county officer who knowingly violates this subsection is jointly and severally liable to the county for the full amount paid. A county employee who knowingly violates this subsection may be removed for cause."
