BUDGET HIGHLIGHTS

- As in 2007, .25 FTE of Clerical Assistant 2 (NR) is unfunded.
- Departments have the authority to fill unfunded positions provided they do not incur a salary deficit.
- The abatement of Countywide crosscharges is discontinued in 2008. The tax levy previously in the servicing department is redistributed to the recipient departments in an amount corresponding to the crosscharges. This results in a tax levy redistribution equal to the change in abatements. Due primarily to this change in methodology, there is no increase or decrease in direct tax levy for this department. The actual change in tax levy for this department from 2007 is a decrease of \$11,947.

- All departments are required to operate within their expenditure appropriations and their overall budgets. Pursuant to Section 59.60(12), Wisconsin Statutes, "No payment may be authorized or made and no obligation incurred against the county unless the county has sufficient appropriations for payment. No payment may be made or obligation incurred against an appropriation unless the director first certifies that a sufficient unencumbered balance is or will be available in the appropriation to make the payment or to meet the obligation when it becomes due and payable. An obligation incurred and an authorization of payment in violation of this subsection is void. A county officer who knowingly violates this subsection is jointly and severally liable to the county for the full amount paid. A county employee who knowingly violates this subsection may be removed for cause."
