Date and time of exams The exams are normally given on the first Thursday of each month. The exams starts at 5:00 pm. Those arriving after 5:00 pm. Will not be seated for the exam.

Application for Examination You must submit an application at least 30 days prior to taking the exam. The Applications can be obtained by contacting one of the contact persons listed above. The application must be filled out and signed in black or blue ink, and must be legible.

Total boiler horsepower and/or steam generated per hour is the total of the plant rating. Example a plant containing 2 boilers rated at 100 HP and 150Hp respectively would total 250 HP.

Additional pertinent information may be attached or entered on the backside of the application. Include college degrees obtained. Technical courses attended, and military experience. The information may also include copies of certificates of completion of correspondence courses that apply to power engineering, boiler operation and maintenance, heating, ventilating, air conditioning and refrigeration. Please send copies only of the additional information, do not send the originals, as we will not take responsibility if the originals are lost. If you presently hold or held a power engineering license or other boiler operating license, please include a copy of the license with the application.

Where to submit applications

Milwaukee Board of Examining Engineers
7412 Jeanellen Rd.
West Bend Wisc. 53090

You will receive a post card informing you of the date of your exam.

Exam fee You will need to send a check or money order in the amount of \$35 to pay for the exam and your first year license. Please submit the fee with your

application. The exam results will be held for 2 week to insure your check clears our bank. If a check is returned to us due to non sufficient funds we will add an additional \$50 to the fee for our processing which will be due before any exam results or certificates will be released to you. All checks must be made out to ASOPE or American Society Of Power Engineers. If you fail to show up for the exam date you will be automatically signed up for the next month exam and will be sent a second post card. If you fail to show up for the second exam date, the check will be forfeited and a new application and fee must be submitted.

No Cash Payments Please

Location of exam Exams are given at the Valley Power Plant 1035 West Canal St. Milwaukee. (3 blocks East of Potowatomi bingo and casino). Park in the lot across the street from the plant. Enter the plant through the main entrance and sign in with the guard.
