AGREEMENT BETWEEN THE
CITY OF MILWAUKEE AND
LOCAL #195,
INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS, AFL-CIO
Effective January 1, 2004

PREAMBLE

THIS AGREEMENT, is made and entered into at Milwaukee, Wisconsin, pursuant to the provisions of Section 111.70, Wisconsin Statutes, by and between the CITY OF MILWAUKEE, a municipal corporation, as municipal employer, hereinafter referred to as "City" and LOCAL #195, INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS, AFL-CIO, as the representative of certain employees who are employed by the City of Milwaukee, shall be treated as one party and hereinafter referred to as "Union".

The parties to this Agreement are desirous of reaching an amicable understanding with respect to the employer-employee relationship which exists between them and to enter into a complete Agreement covering rates of pay, hours of work and conditions of employment.

The parties do hereby acknowledge that this agreement is the result of the unlimited right and opportunity afforded to each of the parties to make any and all demands and proposals with respect to the subject of rates of pay, hours of work, and conditions of employment and incidental matters respecting thereto.

This Agreement is an implementation of the provisions of Section 111.70, Wisconsin Statutes, consistent with that legislative authority which is delegated to the Common Council of the City of Milwaukee, the statutes, and insofar as applicable, the rules and regulations relating to or promulgated by the City Service Commission, and uniformity of compensation provided for under the Municipal Budget Law, namely, Chapter 65 of the Wisconsin Statutes.

It is intended by the provisions of this Agreement that there be no abrogation of the duties, obligations, or responsibilities of any agency or department of City Government which is now expressly provided for respectively by: state statutes; charter ordinances; and ordinances of the City of Milwaukee except as expressly limited herein.

It is intended by the parties hereto that the employer-employee relationship which

exists now and has heretofore existed by and between the City and the members of the Union, who are employed by the City, shall continue to be the same in the event this Agreement is terminated or by virtue of its terms becomes terminated.

ARTICLE 1

DURATION OF AGREEMENT AND TIMETABLE

- 1.1. This Agreement shall be in effect beginning at 12:01 A.M. on January 1, 2004, and ending at 12:01 A.M. on January 1, 2007, unless both parties agree to extend it beyond that date.
- 1.2. Within 30 calendar days following the execution date of this Agreement, the Union shall give the City written notice in accordance with the NOTICES Article of this Agreement, indicating areas in a succeeding labor Agreement in which changes are requested; conferences and negotiations shall be carried on by the parties beginning 30 calendar days following the date such notice is provided.

ARTICLE 2

NEGOTIATIONS

- 2.1. Either party to this Agreement may select for itself a negotiator or negotiators for purposes of carrying on conferences and negotiations under the provisions of Section 111.70, Wisconsin Statutes, as each party may determine. No consent from either party shall be required in order to name a negotiator or negotiators.

ARTICLE 3

SUBORDINATE TO CHARTER

- 3.1. In the event that the provisions of this Agreement or its application conflict with the legislative authority delegated to the City Common Council, or the City Service Commission (which authority being set forth more fully by: The Milwaukee City Charter; the statutory duties, responsibilities and obligations of the City Service Commission as they are provided for in Sections 63.18 through 63.53 of the Wisconsin Statutes; The Municipal Budget Law, which is set forth in Chapter 65 of the Wisconsin Statutes; or other applicable laws or statutes) then this Agreement shall

be subordinate to such authority.

ARTICLE 4

ORDINANCE AND RESOLUTION REFERENCE

- 4.1. This Agreement contains benefits and the terms and conditions under which they are provided employees. The City may establish ordinances, resolutions and procedures to implement and administer these benefits. These ordinances, resolutions and procedures, as well as any other City ordinances or resolutions providing benefits to employees, shall not be deemed a part of this Agreement, nor shall they add to, modify, diminish or otherwise vary any of the benefits or obligations provided in this Agreement, unless the parties shall mutually consent in writing thereto. Other City ordinances and/or resolutions, or parts thereof, in effect on the execution date of this Agreement that do not conflict with the specific provisions of this Agreement shall remain in force and effect.

ARTICLE 5

NOTICES

- 5.1. All notices required to be sent by the Union to the City shall be in writing and sent by certified mail to the City Labor Negotiator.
- 5.2. All notices to be sent by the City to the Union shall be in writing and sent by certified mail to the President of the Union.
- 5.3. Subject to their mutual consent, the City and the Union may waive the certified mail requirement provided above where they deem it appropriate.

ARTICLE 6

MANAGEMENT RIGHTS

- 6.1. The Union recognizes the right of the City to operate and manage its affairs in all respects in accordance with its responsibilities. Any power or authority which the City has not officially abridged, delegated or modified by this Agreement is retained by the City.
- 6.2. The Union recognizes the exclusive right of the City to establish reasonable work

rules. The City will notify the Union in advance of changes in written work rules except in emergencies. Any dispute with respect to these work rules shall not in any way be subject to final and binding arbitration, but any dispute with respect to the reasonableness of a work rule involving matters primarily related to wages, hours, and conditions of employment may be subject to final and binding arbitration and in such cases the arbitrator's decision shall be strictly limited to a determination of reasonableness. This provision is intended to expand but not to limit the right to arbitration set forth elsewhere in this Contract.

- 6.3. The City shall have the right to determine reasonable schedules of work and to establish the methods and processes by which such work is performed.
- 6.4. The City has the right to schedule and assign regular and overtime work as required.
- 6.5. The City reserves the right to discipline or discharge for cause.
- 6.6. The Union recognizes that every incidental duty connected with an operation enumerated in a job description is not always specifically described, nevertheless, it is intended that all such duties shall be performed by the employee.
- 6.7. The City reserves the right to layoff for lack of work or funds, or the occurrence of conditions beyond the control of the City, or where the continuation of work would be wasteful and unproductive.
- 6.8. The City has statutory and charter rights and obligations in contracting for matters relating to municipal operations. The right of contracting or subcontracting is vested in the City. The right to contract or subcontract shall not be used for the purpose or intention of undermining the Union or to discriminate against any of its members. The City agrees to a timely notification and discussion in advance of the implementation of any proposed contracting or subcontracting.

The City agrees it will not lay off any employees who have completed their probationary period and who have regular civil service status at the time of the execution of this agreement because of the exercise of this contracting or subcontracting right except in the event of an emergency, strike or work stoppage, or essential public need where it is uneconomical for City employees to perform this

work. The economies above will not be based upon the wage rates of the employees of the contractor or subcontractor, and provided it shall not be considered a layoff if the employee is transferred or given other duties at the same pay.

6.9. The fact that an employee is in, or may become in a laid-off status shall not prevent the City from exercising its right to contract or subcontract work as long as the contracting or subcontracting does not cause the layoff of an employee or cause the elimination of the job the employee performed.

6.10. When City departments are merged or separated, the City will give the Union reasonable and timely notice and an opportunity to present its position when bargaining unit personnel are involved and affected by the City's proposed action.

ARTICLE 7

RECOGNITION

7.1. The City recognizes the Union as the exclusive collective bargaining agent for the appropriate certified bargaining unit and as the certified representative for those employees in this bargaining unit occupying the classifications as defined in the appropriate "Certifications of Representatives" promulgated by the Wisconsin Employment Relations Commission. The Union recognizes its responsibility to cooperate with the City to assure maximum service at minimum cost to the public consistent with its obligations to the employees it represents.

ARTICLE 8

UNION NEGOTIATING COMMITTEE

8.1. The Union shall advise the City of the names of its negotiators. One or more representatives from the Union shall be paid their regular base salary up to a combined maximum of 120 work-hours for time spent in attendance at official negotiating meetings between the City and the Union as directed by the President of the Union. No payment will be made for time outside the representatives' normal work day and in no event will payment be made for time in excess of eight hours per day. Reasonable travel time from site of employment to site of meeting will be allowed.

8.2. The names of the duly chosen representatives of the bargaining unit shall be submitted to the City Labor Negotiator sufficiently in advance of regularly scheduled negotiating meetings to permit notification of the appropriate City departments.

8.3. The City Labor Negotiator shall interpret and administer the provisions of this section.

ARTICLE 9

NON-DISCRIMINATION

9.1. The parties agree that there shall be no discrimination against any bargaining unit member because of race, color, creed, sex, age, nationality, political affiliation, religious affiliation, sexual preference or handicap.

ARTICLE 10

LIMITATIONS UPON UNION ACTIVITY

10.1. No Union member or officer shall conduct any Union business on City time except as specified in this Agreement.

10.2. No Union meeting shall be held on City time.

ARTICLE 11

DUES & FAIR SHARE DEDUCTIONS

11.1. An employee may authorize the City to deduct Union dues from their paycheck by executing an authorization card and submitting it to a City designated administrator. The check-off shall become effective two (2) pay periods after filing.

11.2. The Union shall be granted deductions for up to 26 or 27 pay periods, whichever is appropriate, upon submission of a necessary affidavit and certificate to the City Labor Negotiator.

11.3. The City will deduct from the biweekly earnings of all employees represented by the Union who have not authorized dues deductions by dues deduction cards, a fair share amount that is equal to that part of the monthly dues certified by the Union as the dues deduction uniformly required of all members of the Union and pay this amount to the Treasurer of the Union within ten (10) days after the payday from which the deduction was made. The City reserves the right to stop, withhold or modify fair-share

deductions for employees or positions in question until resolved by mutual agreement or by the Wisconsin Employment Relations Commission.

- 11.4. The Union shall file a report with the Division of Labor Relations certifying the amount of the employee dues deduction that is uniformly required of all employees represented by the Union. Changes in uniform employee dues or fair share amounts to be deducted shall be certified by the Union and filed with the Division of Labor Relations at least four (4) weeks before the start of the pay period the changed deduction is to be effective.
- 11.5. The dues or fair-share deduction will be made to the Union which represents the employee the majority of their time in the pay period. If the time is equal, the dues or fair-share deduction will be made to the Union representing the employee the majority of time in the last week of the pay period.
- 11.6. The City will honor only dues deduction cards which authorize dues to the certified bargaining unit which represents the employee or dues deductions authorized by employees in positions, divisions or bureaus not now certified to be represented by a certified bargaining unit. No dues or fair-share deductions will be made from the earnings of managerial, supervisory or confidential employees.
- 11.7. The City will provide the Union with a list of employees from whom dues or fair-share deductions were made with each biweekly remittance to the Union.
- 11.8. The Union shall, at its sole cost and expense, fully indemnify, defend and hold harmless the City, its officers, agents and employees against any and all claims, suits, actions or liability of judgments for damages (including, but not limited to, expenses for reasonable legal fees and disbursements of the City, if any) arising from any objections to or contesting of the validity of any dues or agency shop deductions or the interpretation, application or enforcement of this provision.

ARTICLE 12

PROHIBITION OF STRIKES AND LOCKOUTS

- 12.1. The Union shall neither cause nor counsel its members, to strike, nor shall it in any manner cause them either directly or indirectly to commit any concerted acts of work stoppage, slowdown, or refusal to perform any customarily assigned duties for the City. However, whether or not the Union is liable for such acts or actions, any employee who commits any of the acts prohibited in this section may be subject to the following penalties:
- a. Discharge as provided for by law.
 - b. Other disciplinary action as may be applicable to the employee.
 - c. Loss of all compensation, vacation benefits, and holiday pay as determined by the City.
- 12.2. Upon notification confirmed in writing by the City to the Union that certain of its members are engaged in a wildcat strike, the Union shall immediately order its members to return to work in writing, provide the City with a copy of such an order, and a responsible official of the Union shall publicly order them to return to work. Such characterization of the strike by the City shall not establish the nature of the strike. Such notification by the Union shall not constitute an admission by it that a wildcat strike is in progress or has taken place or that any particular member is or has engaged in a wildcat strike. The notification shall be made solely on the representations of the City. In the event that a wildcat strike occurs, the Union agrees to take all reasonable, effective and affirmative action to secure the members' return to work as promptly as possible. Failure of the Union to issue orders and/or take action shall be considered in determining whether or not the Union caused, directly or indirectly, the strike.
- 12.3. The City will not lock out employees. If any employee is unable to work because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, the inability to work shall not be deemed a lockout under the provisions of this section.

- 12.4. In the event a dispute arises between the parties with respect to whether or not the Union has caused or authorized, either directly or indirectly, a strike, acts of work stoppage, slowdown, refusal to perform any customarily assigned duties, or in the event of a dispute arising as to whether or not the City has locked out employees, the disputes shall be determined in final and binding arbitration as set forth in this Agreement.

ARTICLE 13

DISCIPLINE

- 13.1. When it becomes necessary to institute disciplinary action, terminate, or discharge an employee who is a member of the bargaining unit, the City will give notice to the Union before taking action, except when in the judgment of the supervisor emergency action is necessary. In such cases, the Union will be notified as soon as practicable after the action has taken place. This provision has no application to a situation in which a warning letter is issued to an employee. The purpose of a warning letter is to notify the employee to correct deficiencies in conduct or job performance before discipline becomes necessary. Further, this provision is not to be construed as requiring a meeting with the Union except as provided in the grievance procedure of the contract.
- 13.2. Notice for non-emergency disciplinary situations shall not be subject to the provisions of Article 5 of this Agreement, requiring "certified mail," but shall be given, if during business hours, by the most expeditious means, to the President of the Union. Thereafter the notice is to be confirmed in writing within twenty-four (24) hours and if not during normal business hours, notice shall be given or confirmed on the next business day.
- 13.3. Any discipline imposed on an employee who is not subject to the jurisdiction of the City Service Commission shall be for just cause only, as defined in Rule XIII, Section 5, of the City Service Commission and other such appropriate rules.

ARTICLE 14

GRIEVANCE PROCEDURE

- 14.1. Only matters involving the interpretation, application or enforcement of the terms of this Agreement shall constitute a grievance under the provisions set forth below.
- 14.2. Step One. An employee who has a grievance shall first present the grievance orally to the employee's immediate supervisor, either alone or accompanied by a Union representative, within ten (10) working days of the occurrence of the incident leading to the grievance.
- 14.3. Step Two. If the grievance is not settled at the first step, it shall be reduced to writing and presented to the Division Head or his/her designee within ten (10) working days of the completion of Step One. Within ten (10) working days of his/her receipt of the written grievance initiation, the Division Head or his/her designee shall furnish the employee and the Union with a written answer to the grievance, except that, in cases where the Division Head or his/her designee determines that a meeting with the Union regarding the grievance is desirable, the time limit for a written response shall be ten (10) working days from the date of such meeting.
- 14.4. Step Three. If the grievance is not settled at the second step, the Union may appeal in writing within ten (10) working days of the receipt of the second step answer to the Department Head or his/her designee, who shall confer with the aggrieved and the Union and notify the aggrieved and the Union of a decision in writing within ten (10) working days from the date of such meeting.
- 14.5. When a grievance meeting is held at the third step of the grievance procedure, a named employee who has filed a grievance, and the Union official or representative whose presence for the purpose of giving testimony is required, shall be given notice of at least twenty-four (24) hours before a meeting is held unless the grievant and the Union waive the requirement of this notice.
- 14.6. If a Union grievance is not settled at the third step, or if any grievance filled by the City cannot be satisfactorily resolved by conference with appropriate representatives of the Union, either party may proceed to the next step as provided.

- 14.7. Step Four. If the answer of the Department Head or his/her designee upon a matter which can be submitted to final and binding arbitration is unsatisfactory to the Union, and the Union advances the grievance to arbitration in writing within 30 days of the Step 3 answer, it shall be reviewed at a meeting between the Labor Negotiator and the Director of the Union or their designees held periodically for that purpose within 30 working days from the Union's request to proceed to arbitration. The designated participants in the meeting shall be empowered to settle the grievance and no step in the arbitration process shall occur until the meeting has occurred or the parties by written agreement have waived such meeting.
- 14.8. All written grievance appeals shall set forth the provision of the Agreement under which the grievance was filed.

ARTICLE 15

ARBITRATION PROCEDURE

- 15.1. No item or issue may be the subject of arbitration unless arbitration is requested in writing within 90 working days following the action or occurrence which gives rise to the issue to be arbitrated.
- 15.2. Arbitration may be initiated by the Union serving upon the City a notice, in writing, of its intent to proceed to arbitration. The notice shall identify the contract provision upon which it relies, the grievance or grievances, the department, and the employees involved.
- 15.3. Unless the parties, within five working days following the receipt of the written notice agree upon an arbitrator, either party may, in writing, request the Wisconsin Employment Relations Commission to submit a list of five arbitrators to both parties. The parties shall within five working days of the receipt of the list meet for the purpose of selecting the arbitrator by alternately striking names from the list until one name remains.
- 15.4. Whenever one of the parties deems the issue to be of such significance as to warrant a panel of three arbitrators, each party shall, within five working days of the request to proceed to arbitration, appoint one arbitrator and the two arbitrators so appointed shall

agree on a neutral person to serve as the third arbitrator and chairperson, who shall be selected in the manner and in the time specified for the selection of a single arbitrator.

15.5. For purposes of brevity, the term "arbitrator", shall refer either to a single arbitrator or a panel of arbitrators, as the case may be.

15.6. The following subjects shall not be submitted to arbitration:

- a. Provisions of the Agreement which relate to or in any manner affect the obligations of the City as expressed or intended by the provisions of Chapter 65, Wisconsin Statutes.
- b. The statutory or charter obligations which are by law delegated to the Common Council
- c. The elimination or discontinuance of any job, except as provided in the contracting and subcontracting provision of this Agreement.
- d. Any pension matter.
- e. Disputes or differences regarding the classification of positions, promotion of employees, and elimination of positions.

The specific exceptions noted above are not intended to limit the right of the Union to proceed to final and binding arbitration in disputes affecting the entitlement of employees to existing and established wages, hours and conditions of employment as specifically set forth in this Agreement.

15.7. No issue shall be subject to arbitration unless the issue results from an action or occurrence which takes place following the execution of this Agreement. In the event that this Agreement is terminated or breached for any reason, rights to arbitration shall cease. This provision, however, shall not affect any arbitration proceeding which was properly commenced prior to the expiration or termination of this Agreement.

15.8. In addition to all matters presently subject to arbitration, the Union shall have the right to submit all matters of discipline and discharge to arbitration in the same manner as now is being done for other arbitrable issues. If an employee elects to have their discipline or discharge case heard by the City Service Commission under the provisions of Section 63.43 or alternate procedures covered by Section 63.44 of the

- Wisconsin Statutes, the employee will be said to have waived their right to arbitration.
- 15.9. The arbitrator selected shall hold a hearing at a time and place convenient to the parties within ten (10) working days of the notification of selection, unless otherwise mutually agreed upon by the parties. The arbitrator shall hear evidence that in their judgment is appropriate for the disposition of the dispute. Statements of position may be made by the parties and witnesses may be called. The arbitrator shall have initial authority to determine whether or not the dispute is arbitrable, under the express terms of this Agreement. Once it is determined that a dispute is arbitrable, the arbitrator shall proceed in accordance with this Article to determine the merits of the dispute submitted to arbitration.
- 15.10. No award of any arbitrator may be retroactive for a period greater than 90 working days prior to the formal request for arbitration as herein provided, nor shall it cover or include any period prior to the date of execution of this Agreement.
- 15.11. The arbitrator shall neither add to, detract from, nor modify the language of this Agreement in arriving at a determination of any issue presented that is proper for arbitration within the limitations expressed herein. The arbitrator shall have no authority to grant wage increases or wage decreases.
- 15.12. The arbitrator shall expressly be confined to the precise issue submitted for arbitration and shall not submit declarations of opinion which are not essential in reaching the determination of the question submitted unless requested to do so by the parties. It is contemplated by the provisions of this Agreement that any arbitration award shall be issued by the arbitrator within sixty (60) working days after the notice of appointment unless the parties to this Agreement shall extend the period in writing by mutual consent.
- 15.13. All expenses involved in the arbitration proceeding shall be borne equally by the parties. Expenses relating to the calling of witnesses or the obtaining of depositions or any other similar expense associated with the proceeding shall be borne by the party at whose request the witnesses or depositions are required.

ARTICLE 16

SENIORITY FOR LAYOFF PURPOSES

- 16.1. Seniority for layoff purposes is defined as the relative status of an employee in a particular job title represented by the Union based upon the employee's regular appointment date to such job title or the date he/she transferred to such job on a City Service Commission approved transfer, to which will be added, in case of a reduction of an affected employee to a lower classification represented by the Union, the seniority the affected employee had in that other job title represented by the Union.
- 16.2. For the purpose of layoff, up to three (3) officers of the Union (the president and two additional officers designated by the Union) shall have seniority preference over all other employees in their particular job and job title within the department.
- 16.3. Upon a reduction in supervisory and/or managerial positions, a supervisory or managerial employee affected may be returned to a job title they previously held in a bargaining unit. An employee promoted to a management or supervisory position after May 15, 1973, from a position within the certified bargaining unit, shall continue to accumulate seniority for not more than a maximum period of two calendar years. Thereafter, they shall retain, but not continue to accumulate, seniority while in a management or supervisory position. For an employee promoted prior to May 15, 1973, the employee would receive their seniority as a member of the bargaining unit plus their seniority as a management or supervisory employee of the City for not less than two years if earned, or a period equal to one-half of their seniority as a managerial or supervisory employee in excess of two years up to a maximum of eight years.
- 16.4. Should the City find it necessary to effect a reduction in its work force, it shall give the Union notice and in no case less than four (4) weeks prior to the effective date of the layoff of the initially affected employees. The City and the Union shall meet within three (3) working days of the notice to discuss layoffs. The City, at this meeting, shall provide the Union with a current seniority list of the department. At this meeting, the Union will identify those employees who are subject to the terms of 16.3, above.
- 16.5. When layoffs are occasioned by an emergency or when the duration is not expected to exceed twenty (20) working days, the foregoing provisions regarding notice and the

rules hereinafter set forth shall not apply. In such cases, the City shall notify the Union immediately of the situation and shall meet with the Union within three (3) working days to fully apprise it of its reasons for the layoff and its expected duration.

- 16.6. When layoffs are occasioned by seasonal fluctuations, the provisions of 16.5 and 16.6 as regards to notice by the City and the requirements of meeting with the Union shall not apply.
- 16.7. When seasonal layoffs or recalls occur in classifications where subsequent layoffs or recalls are likely or in work activities in which the last work will be performed in subsequent weeks, the City shall have the right to lay off or recall employees out of their order of seniority for a period of up to twenty (20) work days.
- 16.8. When it becomes necessary to reduce the work force in a particular job, the employee with the least seniority in the job title shall be laid off and bump the least senior employee holding a job title which the affected employee previously held if:
- a. The affected employee has more seniority.
 - b. The affected employee is capable of performing the job of the employee with lesser seniority.
 - c. The affected employee transfers or bumps to a position in the same or lower pay range than the affected employee currently holds.
- 16.9. Breaks in Seniority
- a. Union bargaining unit seniority shall be broken when an employee:
 - (1) Retires;
 - (2) Resigns from City Service;
 - (3) Is discharged and the discharge is not reversed;
 - (4) Is terminated during his/her initial probationary period;
 - (5) Is not recalled from a layoff for a period of three (3) years if the layoff results in a discontinuation of the employee's service with the City;
 - (6) Is not recalled from a layoff for a period of seven (7) years if, during the layoff, the employee's service with the City is continuous;
 - (7) Is recalled from a layoff and does not report for work within three (3)

calendar weeks;

- (8) Does not return at the expiration of a leave of absence.
- (9) Is transferred/promoted to a non-management or non-supervisory classification outside the Union bargaining unit and successfully completes the probationary period for that position.

b. Classification seniority shall be broken when an employee:

- (1) Is terminated during a probationary period;
- (2) Is voluntarily or involuntarily demoted; or
- (3) Is not recalled from a layoff for a period of three (3) years if during the layoff the employee's service with the City is continuous.

In case of (2), above, if the employee is reinstated or promoted to the position from which he/she was demoted, the date of such reinstatement or promotion shall become the employee's classification seniority date unless otherwise determined by the City Service Commission. Seniority in a lower classification shall not be affected by demotion from a higher classification.

- 16.10. An affected employee who bumps to a position in a lower pay range held by an employee with less seniority shall be paid at the normal maximum of the pay range in which the job falls. In no event shall an employee, by application of this provision, be paid in excess of the rate of pay they were earning prior to their reduction.
- 16.11. When an employee who has been reduced in rank from a position they previously held, is recalled to a job classification in a pay level above their current position but lower than the pay levels of the original position, they will be paid at a rate nearest the rate paid in the original position. In no event shall an employee by application of this clause, be paid in excess of the rate of pay they were earning prior to their reduction. This paragraph will not apply to the laborer and other related positions now covered by the "time in grade" rules for positions affected by seasonal fluctuations.
- 16.12. Recall to the job a laid-off employee held shall be by application of seniority in reverse order of layoff. An employee who has not qualified for a lower rated job shall not be recalled until the position they held at the time of their layoff again becomes

available.

- 16.13. Employees in an affected job and job title having the same starting date shall have their seniority status determined by their examination rank on the eligible list and where ranks do not prevail, seniority shall be determined by lot at the Department of Employee Relations with a Union representative present.
- 16.14. (1) A special sick leave incentive payment

An employee receiving a special sick leave incentive payment, shall be entitled to receive a lump-sum cash payment equivalent to eight hours of his/her base salary computed on the basis of his/her hourly base salary rate in effect on the last day of the trimester for which the payment was earned. ARTICLE 29

DUTY INCURRED DISABILITY PAY

29.1. An employee with regular Civil Service status, who sustains an injury while performing within the scope of their employment, as provided by Chapter 102 of the Wisconsin Statutes (Worker's Compensation Act), may receive up to 80% of his/her base salary, as "injury pay," in lieu of Worker's Compensation for the period of time he/she may be temporarily, totally or partially, disabled because of this injury, not to exceed a total of one calendar year. For an employee receiving eighty (80) hours of "injury pay" in a pay period, the "injury pay" of the employee for such pay period shall not exceed the amount of net pay he/she would have received if he/she had not been on "injury pay" during such pay period. For purposes of this Article, net pay is defined as the employee's base salary minus the following, as determined by the City: (1) FICA withholding, (2) Medicare withholding and (3) the federal and state income tax withholding as prescribed by law for the pay period immediately prior to the pay period for which he/she is determined to be eligible for "injury pay". For an employee receiving less than eighty (80) hours of "injury pay" in a pay period, the "injury pay"

- of the employee for such hours shall be 80% of his/her base salary.
- 29.2. An employee may not receive "injury pay" for more than one year (250 working days) during their employment regardless of the number of compensable injuries sustained. For an employee receiving eighty (80) hours of "injury pay" in a pay period, the employee may not receive less than the minimum amount required by the Worker's Compensation Act.
- 29.3. In providing injury pay in an amount as indicated in 29.1. and 29.2., above, the employee agrees to allow the City to make the applicable payroll adjustment to his/her biweekly pay check and to make no subsequent claim for this amount whatsoever. This deduction shall be administered so as not to reduce the employee's pension benefits. For purposes of interpretation of the provisions of this paragraph, the term, base salary, shall mean the employee's base salary pay rate in effect during the pay period he/she is receiving injury pay.
- 29.4. After "injury pay" benefits have been exhausted, an employee shall have the option of accepting sick leave benefits or accepting Worker's Compensation temporary disability benefits. This option, which shall be in writing, may be terminated without prejudice to temporary total, or temporary partial, disability benefits under the Worker's Compensation Act, but such termination shall not be retroactive and any sick leave already used at the time of the termination of the option shall not be restored to the employee.
- 29.5. Questions involving eligibility for "injury pay" shall be determined under the applicable law and the substantive and procedural rules of the Department of Workforce Development (formerly the Department of Industry, Labor and Human Relations) relative to Worker's Compensation and in the event of a dispute between the City and the employee relative to such eligibility, the Department of Workforce Development and the courts, upon the statutorily prescribed review thereof, shall be the sole and final arbiters of such dispute.
- 29.6. Notwithstanding 29.1 through 29.5, above, an employee who has not successfully completed his/her initial probationary period with the City shall not be entitled to

"injury pay" (Duty Incurred Disability Pay).

- 29.7. If the Internal Revenue Service (IRS) determines that the injury pay benefits provided hereunder are taxable as wages, then beginning with the effective date of this determination, the City will no longer require the applicable employee deduction from injury pay benefits provided for in section 29.3., above.

Shorter elimination periods will be available through payroll deductions. An employee who is or becomes in a laid off situation shall not be eligible for LTD benefits. LTD benefits will begin only after all other temporary disability benefits, such as accumulated sick leave, have been exhausted.
- 30.3. During a qualifying period of disability, the LTD benefit program will provide no less than 60% of monthly base earnings (excluding bonuses and overtime) as income replacement, up to a maximum of \$5,000.00 per month, reduced by all available temporary disability benefits such as sick leave benefits; amounts available from any other city, state or federal programs which may be paid on account of the same disability; and any income earned by the employee during the period of disability.
- 30.4. Benefits payable under the LTD benefit program shall be established by an LTD benefit administrator selected by the City. The LTD benefit administrator shall provide a procedure for an employee to dispute claims and claim decisions. No dispute arising under the LTD benefit program shall be subject to the grievance and arbitration procedures set forth in this Agreement, except an allegation that the City has failed to pay required payments to the LTD benefit administrator.
- 30.5. The City shall retain the right to manage, at its sole discretion, the administration and funding of the LTD benefit program, including, but not limited to selecting, changing,
