This agreement is made at Milwaukee, Wisconsin, pursuant to Section 111.70, Wisconsin Statutes, by the CITY OF MILWAUKEE, as municipal employer, referred to as the "City", and TECHNICIANS, ENGINEERS AND ARCHITECTS OF MILWAUKEE as representative of the persons listed in Article 2, who are employed by the City of Milwaukee, referred to as "Union" or as "TEAM".

The parties desire to reach an amicable and complete agreement with respect to the employer-employee relationship which exists between them and covering rates of pay, hours of work and conditions of employment.

The parties acknowledge this agreement is the result of the unlimited right and opportunity afforded to each to make any demands and proposals with respect to rates of pay, hours of work and conditions of employment and incidental related matters.

ARTICLE 1

DURATION

This agreement shall remain in effect commencing at 12:01 a.m. on January 1, 2010, and terminating at 12:01 a.m. on January 1, 2012. Either party may reopen the contract by notice served upon the other not earlier than June 15, 2011, nor later than July 15, 2011, indicating areas in a succeeding contract in which the party requests changes.

ARTICLE 2

RECOGNITION

- A. The City recognizes the Union as the exclusive collective bargaining agent on the subjects of wages, hours and conditions of employment for employees who are in classifications covered by the appropriate bargaining unit certification of the Wisconsin

Employment Relations Commission as of January 1, 2010.

The job titles of positions in TEAM are:

Civil Engineer I, II, III and IV
Electrical Engineer I, II and III
Mechanical Engineer I, II and III
Traffic Control Engineer I, II and III

This provision describes the bargaining representative and the bargaining unit covered by this agreement and has no other purpose.

- B. If a consolidation occurs in any City department or between City departments or units thereof, whose employees in whole or in part are within TEAM, and the consolidation combines into a single bargaining unit positions which were formerly in other bargaining units, the City or the Union may request that the Wisconsin Employment Relations Commission conduct a new representation election.
- C. If new positions are created by the City which are not the result of department consolidation or merger and which would be embraced within the bargaining unit, the employees appointed to such positions shall be deemed to be members of the bargaining unit.

ARTICLE 3

MANAGEMENT RIGHTS

It is the prerogative of the City to determine the mission of the City and its departments, to determine the means, manpower and procedures by which such mission will be accomplished, and to manage its affairs in all respects. The powers which the City has not officially abridged, delegated or modified by this Agreement are retained by the City.

The Union specifically recognizes:

1. The exclusive right of the City to establish reasonable work rules. Any dispute as to reasonableness may be submitted to fact-finding under s111.70, Stats.
2. That the City has the right to schedule regular and overtime work as it deems most advantageous.
3. That the City reserves the right to discipline or discharge for cause. When it becomes necessary to institute disciplinary action, terminate, or discharge an employee who is a member of the bargaining unit, the City will give notice to the Union before taking action, except when in the judgment of the supervisor emergency action is necessary. In such cases, the Union will be notified as soon as practicable after the action has taken place. This provision has no application to a situation in which a warning letter is issued to an employee. The purpose of a warning letter is to notify the employee to correct deficiencies in conduct or job performance before discipline becomes necessary. Further, this provision is not to be construed as requiring a meeting with the Union except as provided in the grievance procedure of the contract. Notice for non-emergency disciplinary situations shall be given, if during business hours, by the most expeditious means, to the Union. Thereafter the notice is to be confirmed in writing within forty-eight (48) hours and if not during normal business hours, notice shall be given or confirmed on the next business day.
4. The City reserves the right to layoff for lack of work or funds, or the occurrence of conditions beyond its control or where continuation of work would be wasteful.
5. That the City has rights and obligations in contracting for matters relating to municipal operations and the City may contract or subcontract any part of its work without violation of its obligations to the Union or its members. The right of contracting or subcontracting is vested in the City. Except in cases which it deems to be an emergency, the City will give reasonable and timely notice of and discuss with the Union any proposed contracting or subcontracting. The right to

contract or subcontract shall not be used to undermine the Union or to discriminate against its members. The City will not lay off employees who have completed probation and have regular civil service status because of the exercise of its contracting or subcontracting rights except in the event of an emergency, strike or work stoppage. It shall not be considered a layoff if employees are transferred or given other duties at the same pay.

6. The City will give the Union reasonable and timely notice in cases in which TEAM personnel are affected in the merger or separation of City departments and will afford the Union an opportunity to present its position with respect to the City's action.
7. Every incidental duty connected with operations enumerated in job descriptions is not always specifically described. Nevertheless, it is intended that all such duties shall be performed by the employee.
8. Warning notices, management-employee conferences concerning performance, attendance or punctuality, sick leave control letters; any discipline of less than one (1) day suspension or termination of employees serving an initial probationary period; or determination of injury pay benefits shall not be subject to the grievance or arbitration procedure.

ARTICLE 4

UNION RIGHTS AND OBLIGATIONS

The Union recognizes its responsibility to cooperate with the City to assure maximum service at minimum cost to the public consistent with its obligations to the employees it represents. The Union recognizes the right of the City to utilize the services of volunteers or other persons who are not paid by the City as the City deems best serve its interests.

A. Union Business and Union Meetings

No Union member shall conduct Union business on City time except as specified in this agreement. No Union meeting shall be held on City time.

B. Bulletin Boards

The City will furnish for the Union one bulletin board at each of the agreed locations. The board shall be used only for notices of Union recreational and social affairs, meetings, elections, and reports of committees. Notices shall not contain anything political, controversial, or reflecting upon the City, its employees, or labor organization. Any Union-authorized violation of this section shall entitle the City to cancel this section and remove the bulletin boards.

C. Pay for Union Negotiators

1. Union Negotiations

The Union shall submit the names of its negotiators to the City Labor Negotiator sufficiently in advance of regularly scheduled meetings to permit notification of the appropriate City departments. TEAM's bargaining representatives shall be paid regular base salary for time spent in negotiations during regular working hours, plus reasonable travel time from site of employment to site of meeting. Negotiations shall not be unnecessarily protracted and shall be carried on during non-working hours when possible.

2. WERC Hearings

- a. The Union shall advise the City of the names of the members of its Executive Board. Such members, in aggregate, shall be entitled to 40 hours paid time off during the term of this Agreement, subject to the terms and conditions provided in subsections b. through e., inclusive, of this section, below.
- b. Such paid time off shall be limited to time spent during such members' regularly scheduled hours of work in hearings related to unit clarifications, declaratory rulings or prohibited practices conducted by the Wisconsin Employment Relations Commission or any member or members thereof or any member of its staff or individual designated by the Commission so long as such hearings directly affect any position

currently covered by the Union.

- c. Except for hearings that are scheduled by the WERC with less than 10 calendar days' advance notice, the Union shall provide the City Labor Negotiator with seven calendar days' written notice of the members to be released for such hearings or meetings. For hearings scheduled by the WERC with less than 10 calendar days' advance notice, the Union shall provide at least 48 hours' advance notice.
- d. Employees on overtime assignment shall not be entitled to paid time off under the provisions of this Article.
- e. Reimbursement
Each month the Union shall reimburse the City an amount equivalent to the base salary paid members during such month under the provisions of Article 4.C.2..

D. Check Off of Union Dues

For each non-probationary employee in TEAM, City will honor a statutorily acceptable dues check off request during the term of this agreement or any extension thereof. The City will pay amounts deducted from the employee's earnings to the treasurer of the Union within ten days after the pay day on which the deduction was made, together with a list of employees from whose pay the deduction was made.

E. Fair Share Deductions

For each non-probationary employee in TEAM who has not submitted a dues check off request, the City, during the term of this agreement or any extension thereof, will deduct from the pay of such employee and remit to the Union as above an amount which the Union certifies is the pro rata cost to the Union of negotiating and administering the labor agreement. Such sum shall not exceed dues the employee would be required to pay had the employee executed a check off request.

Changes in dues or fair share amounts to be deducted shall be certified by the Union at least four weeks before the start of the pay period the changed deduction is to be

effective.

The dues or fair share deductions will be paid to the Union which represents the employee the majority of his time in the pay period. If the time is equal, the dues or fair share deductions will be made to the Union representing the employee the majority of time in the last week of the pay period.

ARTICLE 5

PROHIBITION OF STRIKES AND LOCKOUTS

Neither the Union nor any member thereof shall cause nor counsel any of its members to strike nor shall it cause them either directly or indirectly to commit any concerted work stoppage, slowdown or refusal to perform assigned duties. Any employee who commits any of the acts prohibited in this section is subject to discharge, or other disciplinary action, including loss of compensation, vacation benefits and holiday pay as determined by the City.

If a wildcat strike occurs, the Union agrees to take all reasonable action to secure the members' return to work as promptly as possible, including issuing a written order to that effect upon request of the City Labor Negotiator. Failure of the Union to issue such orders and/or take such action shall be considered in determining whether or not the Union caused or authorized the strike.

The City shall not lock out employees. The inability to work because equipment or facilities are not available due to a strike, work stoppage or slowdown by any other employees inability to work shall not be deemed a lockout.

ARTICLE 6

GRIEVANCE PROCEDURE

A. Only matters involving the interpretation, application or enforcement of this agreement shall constitute a grievance under this Article.

Step #1.	An employee having a grievance shall, either alone or accompanied
(Oral/	by a Union representative, first orally present the grievance to the
Management	immediate management supervisor within fifteen days

Supervisor)	after the employee knew or should have known of the occurrence.
Step #2.	If the grievance is not settled at the first step, within ten
(Written/	days after the grievance is orally presented, it shall be reduced to
Division Head)	writing and presented to the Division Head or designee. The written
	grievance shall be presented within ten days after the completion of Step
	One. Within ten days of receipt of the written grievance, the Division
	Head or designee shall furnish the employee and the Union president with
	a written answer to the grievance.
Step #3.	If the grievance is not settled at the second step, the Union
	may appeal in writing within ten days to the Department Head or
(Department	designee, who may confer with the employee and the Union before
Head)	making a decision. Such decision shall be submitted in writing to the
	employee and the Union within ten days after receipt of the appeal.
	When a hearing is held at the third step of the grievance procedure, an
	employee who has filed a grievance and the Union representative or
	member whose presence is required for giving testimony shall be given
	direct notification one day before such a meeting is held. The Union may
	waive this requirement.
	If the grievance is not settled at the third step, then the Union may
	proceed to the next step as provided.
Step #4.	If the answer of the Department Head or designee regards a matter
(Labor	which can be submitted to final and binding arbitration and is
Negotiator)	unsatisfactory to the Union, the Union may advance to arbitration a third
	step decision, under the criteria it shall be reviewed at a meeting between
	the Labor Negotiator or designee, and the president of the Union or
	designee, held periodically for that purpose. The parties are empowered
	to settle the grievance and no further step in the arbitration process shall
	occur until such meeting has been held or the parties have waived such

meeting in writing.

- B. Each written grievance shall set forth on the form prescribed (1) the specific rule or provision of the agreement claimed to have been violated; (2) the time, place and circumstances and (3) a specific requested remedy.
- C. Except as otherwise stated herein, no claim of violation of the Management Rights clause shall be regarded as a grievance.
- D. "Days" as used in this article means working days.
- E. Any grievance which the Union does not elect to advance within the prescribed period shall be deemed settled on the basis of the last answer which the City gave in the last completed step of the procedure unless the parties have, in writing, in unusual circumstances, agreed to an extension of time for a definite period or have waived the step completely.

ARTICLE 7

ARBITRATION

- A. No issue may be the subject of arbitration unless arbitration is requested in writing within the later of 120 working days following the occurrence which gives rise to the issue or 10 working days after completion of the last step of any grievance procedure commenced within the 120 days.

Arbitration may be initiated by the Union serving upon the City's Labor Negotiator a notice in writing of its intent to proceed to arbitration. The notice shall identify the contract provision listed in the original grievance upon which the Union relies, the grievance or grievances, the department and the employees involved.

Unless the parties can, within five working days following the receipt of such written notice, agree upon an arbitrator, either party may, in writing, request the Wisconsin Employment Relations Commission to submit a list of five arbitrators to both parties. The parties shall, within five working days of the receipt of said list, meet for the purpose of selecting the arbitrator by alternately striking names from said list until one name remains. The City shall strike first.

If either party desires a panel of three arbitrators, each party shall, within five working days of the request to proceed to arbitration, appoint one arbitrator and the two arbitrators so appointed shall agree on a neutral person to serve as the third arbitrator and chairman of the arbitration panel. If they cannot agree, the third arbitrator shall be selected by the parties in the same manner as a single arbitrator.

The term "arbitrator" refers either to a single arbitrator or a panel of arbitrators. The following subjects are not subject to arbitration:

1. Provisions of the agreement which affect the obligations of the City under Wisconsin Statutes or make the performance of such obligations more difficult.
2. Disputes regarding classifications of positions, promotions of employees and elimination of positions, except as provided in the contracting and subcontracting provisions.
3. Any pension matter.
4. Sick Leave Control Letters.
5. Determinations of Injury Pay Benefits.
6. Any discipline or discharge of employees serving an initial probationary period.

The specific exceptions noted above are not intended to limit the right of the Union to proceed to final and binding arbitration in disputes affecting wages, hours and conditions of employment.

No issue shall be subject to arbitration unless it results from an occurrence which takes place following the execution of this agreement and no arbitration determination shall cover any period of time prior to the date of execution of this agreement.

- B. In addition to all matters presently subject to arbitration, the Union shall have the right to submit all matters of discipline and discharge to arbitration in the same manner as now is being done for other arbitrable issues. If an employee elects to have their discipline or discharge case heard by the City Service Commission under the provisions

of Section 63.43 or alternate procedures covered by Section 63.44 of the Wisconsin Statutes, the employee will be said to have waived their right to arbitration.

- C. The arbitrator shall hold a hearing at a time and place convenient to the parties within ten working days of the notification of his selection, unless otherwise agreed upon by the parties. The arbitrator shall take such evidence as in his judgment is appropriate. Statements of position may be made by the parties and witnesses may be called. The arbitrator shall have authority to determine whether the dispute is arbitrable under this agreement. Once it is determined that a dispute is arbitrable, the arbitrator shall proceed in accordance with this article to determine the merits of the dispute.

The provisions of SS788.06 and 788.07 of the Wisconsin Statutes shall apply to the receiving of evidence. The arbitration award shall be reduced to writing, subject to SS788.08 through 788.15 of the Wisconsin Statutes. All other sections and provisions of Chapter 788 are hereby expressly negated in any arbitration under this agreement.

- D. The arbitrator shall not modify the language of this agreement in determining any issue presented that is proper for arbitration within the limitations expressed herein. The arbitrator shall have no authority to grant wage increases or decreases.
- E. The arbitrator shall be confined to the issue submitted for arbitration and shall not express opinions which are not appropriate in determining the question submitted unless requested to do so by both parties.
- F. All expenses involved in the arbitration proceedings shall be borne equally by the parties. However, expenses relating to the calling of witnesses or the obtaining of depositions or any other similar expense associated with such proceedings shall be borne by the party at whose request such witnesses or depositions are required.
- G. The provisions of this article shall not apply to proceedings initiated under S111.70(4)(cm)6 (the "Mediation - Arbitration" provisions) of the Wisconsin Statutes.

ARTICLE 8

HOURS OF WORK

This Article defines the normal hours of work per day and per week in effect at the time of execution of this Agreement. The City may restructure the normal workday or work week as it deems will best serve its needs and may establish and change the work schedules.

This Agreement does not guarantee or limit the number of hours to be worked.

The City may if it deems necessary reduce the normal hours of work. Salary schedules and all employee benefits expressed in days shall be adjusted proportionately for the period such reduction remains in effect.

A. Work Day and Work Week

The "normal work day" is eight hours running from the time established by general rule or individual assignment by departmental managers and excluding an unpaid lunch break. The "work week" is five workdays during each calendar week.

B. When Employee Sent Home

Any full time employee who reports for work and is sent home by the City due to lack of work, inclement weather or for any other reason, shall be paid for all work time, but not less than two hours pay at the regular rate.

C. Owed Time

An employee who is officially excused before the end of his or her normal shift because of inclement weather or civil disturbance which makes the work hazardous or unproductive shall be paid for such excused time and shall be said to owe the time to the City.

Such "Owed time" constitutes a debt of the employee to the City. If the employee fails without reasonable excuse to discharge the debt by performing overtime assignments offered by the City, the debt shall be deducted from the employee's pay for the period in which the overtime was offered. Any remainder of unpaid "owed time" shall be deducted from pay due to an employee at the time of termination or when the employee transfers to a new City unit.

When an employee makes up "owed time" the rate of pay shall be at the appropriate overtime rate.

ARTICLE 9

PAY FOR TIME NOT WORKED

A. Vacation

1. An employee shall earn vacation time in the following manner from his/her last anniversary date:
 - a. One day per month, with a maximum of 10 days per calendar year for employees with less than 5 years' creditable service;
 - b. One and one-half days per month with a maximum of 15 days per calendar year for employees with at least 5 but less than 10 years of creditable service;
 - c. Two (2) days per month with a maximum of 20 days per calendar year for employees with at least 10 but less than 15 years of creditable service;
 - d. Two and one-half (2.5) days per month with a maximum of 25 days per calendar year for employees with at least 15, but less than 22 years of creditable service.
 - e. Three (3) days per month with a maximum of 30 days per calendar year for employees with at least 22 years of creditable service.
2. Annual vacation time taken, except for separation from service as provided in subsection 6, shall be limited to the maximums noted above.

3. Vacations shall be taken on a fiscal year basis rather than a calendar year basis. For purposes of this Article, fiscal year shall be defined as Pay Periods 1-26 or 1-27, whichever is appropriate.
4. The anniversary date for vacation eligibility will not change after an employee achieves regular Civil Service employment status. The freezing of the anniversary date for vacation eligibility purposes will neither diminish nor increase vacation days earned.
5. Eligibility for a vacation shall begin after the completion of twelve (12) months of actual service following appointment, but accumulations shall be retroactive to the time of appointment. An employee whose service is expected to continue so as to complete a year's actual service may, after six (6) months of service, be allowed vacation within the year of appointment if the convenience of the service would be promoted. If the employee leaves the service of the City before the completion of the initial 12-month period, that vacation shall be deemed unearned, and payments made during the vacation period shall be deducted upon termination of employment. Employees who are not expected by the department head to work 12 consecutive months shall be eligible for vacation only after completing twelve (12) months of service.
6. Vacation time taken before the full amount has been earned shall be considered time owed the City until it is earned. Any employee who leaves the service of the City due to resignation, retirement, termination, discharge, layoff, or death will have the compensation for vacation time owed the City deducted from the final payroll. Any employee who leaves the service of the City due to resignation, retirement, layoff, or death, or who takes military leave, will be paid for earned vacation time that has accumulated. A discharged employee is not entitled to pay for accumulated vacation time.
7. The City will schedule vacations in accordance with departmental requirements. It will make every reasonable effort to avoid changes in an employee's work

schedule which would require an employee to work during a previously scheduled vacation of five days or more duration.

8. Except as set forth below, a vacation not taken in the year following the employee's anniversary date of the year when it is earned is forfeited. An employee will be allowed to carry over into an ensuing fiscal year up to one week (five days) of accrued vacation. Carried-over vacation entitlement shall be utilized within the ensuing fiscal year, at a time consistent with the requirements of department operations, taking into consideration the rights of employees who have scheduled vacations for the current year.

B. Personal Days

1. Employees on the payroll or on leave of absence, or who were working toward year-around employment as of January 1, 1963, shall be entitled to five workdays off annually. Such off days shall be earned at the rate of one-half day for each month worked, the total time not to exceed five workdays.
2. Employees on the payroll, on leave of absence, or who were working toward year-around employment as of January 1, 1964, shall be entitled to four workdays off annually. These days off shall not apply to the employees in 1. above. Such off days shall be earned at the rate of .4 days for each month worked, the total time not to exceed four days.
3. Employees on the payroll, on leave of absence, or who were working toward year-around employment as of January 1, 1969 and thereafter shall be entitled to two workdays off annually. These days off shall not apply to the employees in 1. and 2. above. Such off days shall be earned at the rate of .2 days for each month worked, the total time not to exceed two days.
4. Personal days may be scheduled and used the same as vacation days with the approval of the department head.

C. Holidays

1. The holidays for which an employee receives pay at regular rate without working

are:

The day after Thanksgiving
Christmas Eve
Christmas Day (December 25)
New Year's Eve
The third Monday of January to commemorate Dr. Martin Luther King's birthday.

2. If any holiday enumerated in subsection 1. falls on Saturday or Sunday, the City shall move the holiday to the preceding or subsequent work day normally scheduled and that day shall constitute the holiday.
3. The City retains the right to schedule and to require an employee to work on a holiday. An employee required to work on a holiday shall receive in addition to holiday pay as such, time and one-half the regular pay either in cash or compensatory time off for each hour worked.
4. If the State of Wisconsin adopts a statute under which some or all of the above enumerated holidays are established or observed as so-called "Monday" holidays, the City will move to observe the law but the operation of the law shall not increase or diminish the number of holidays with pay granted annually.

ARTICLE 11

SICK LEAVE AND DISABILITY

A. Sick Leave

1. "Sick leave" means all necessary absence from duty because of illness, bodily injury or exposure to contagious disease. Sick leave benefits are limited to the period of time the employee would have worked in accordance with the HOURS OF WORK provision of this Agreement.
2. a. Eligibility for sick leave begins after six months actual service following

regular appointment but accumulations shall be retroactive to the time of regular appointment.

- b. Whenever an employee eligible for sick leave allowance leaves one unit of city government by certification of transfer and accepts service in a position in another, obligations for any accumulated sick leave allowance shall be assumed by the new unit. Separation from service by resignation or for cause shall cancel all unused accumulated sick leave allowances. Whenever a permanent employee is laid off due to lack of work or lack of funds, any unused accumulated sick leave shall continue in effect if the employee is rehired by any city department within three years.

- 3. Permanent full-time employees shall earn sick leave with pay at the rate of one and one-quarter working days for each month of active service or 4.6 working hours for each two weeks of active service. Employees who work an average of twenty hours per week on a year-round basis in positions which are budgeted at half-time or more, shall earn sick leave at the rate of .625 working days for each month of service or 2.3 working hours for each two weeks of service.
- 4. Sick leave allowance which accumulates up to 120 working days shall be credited to employees' "normal sick leave accounts" from which sick leave shall be granted with full pay.
- 5. Doctors certificate. Sick and disability leave with pay may be permitted for up to three consecutive days without requiring the employee to submit a doctor's certificate provided that the department head has other satisfactory evidence of bona fide illness or pregnancy related disability. When leave extends beyond three consecutive days adequate medical substantiation from a private physician or from a dentist certifying the nature and seriousness of the sickness or pregnancy-related disability, or the certificate of an authorized and recognized Christian Science practitioner certifying that the employee is under Christian Science treatment, shall be furnished to the department head. The City may

require employees to provide adequate medical substantiation for each absence, regardless of duration if it appears that the employee is misusing sick leave. The City shall not be responsible for the payment of any fee charged if the absence is shown to be a misuse of sick leave. When acceptable medical substantiation is required, the City may deny sick leave benefits for the absence requiring substantiation until the requirement is complied with.

B. Duty-Incurred Disability Pay

1. An employee with regular Civil Service status who sustains an injury covered by the Wisconsin Worker's Compensation Act may receive 70% of base salary as "injury pay" in lieu of worker's compensation for the period of disability caused by the injury, not to exceed 250 working days.
2. "Injury Pay" shall not be paid for more than 250 working days regardless of the number of compensable injuries sustained.
3. The City may deduct 30% of an employee's base salary for the period injury pay is received. This deduction shall not reduce the employees' pension benefits.
4. After "injury pay" benefits have been exhausted, an employee shall have the option of accepting sick leave benefits or Worker's Compensation temporary disability benefits. This option, which shall be exercised in writing, may be terminated without prejudice to temporary disability benefits under the Worker's Compensation Act. Such termination shall not be retroactive and any sick leave already used at the time of the termination of the option shall not be restored.
5. If the Internal Revenue Service determines that injury pay is taxable, beginning with the effective date of this determination, the City will no longer require the 30% deduction provided for in Section 3.

C. Reimbursement After Recovery From the Third Party

If the employee who has been paid sick leave or duty-incurred disability leave benefits recovers from a third party, the City shall have the right to recoup from the employee payments the City has made in accordance with the formula contained in S102.29 of the

Wisconsin Statutes, subject to a pro rata reduction for the employee's cost of effecting such third party recovery. Upon recovery of such net sums, it shall restore to the account of the employee, pro rata, the days which were charged as sick leave or duty-incurred disability.

D. Sick Leave Control Program

1. The Sick Leave Control Incentive Program shall be in effect beginning Trimester 1, 2010 and ending Pay Period 26, 2011 except that any day earned in Trimester 3, 2011, may be used in 2012. Nothing herein shall be construed as requiring the City to continue the program for time periods after Pay Period 26, 2011.
2. The trimester periods are defined as follows:

Trimester 1 - Pay Period 1-9,
Trimester 2 - Pay Period 10-18,
Trimester 3 - Pay Period 19-26, or 19-27, if applicable.
3. An employee shall be eligible for a sick leave control incentive benefit only if:
 - (a) During the full term of the trimester, the employee did not use any sick leave, did not receive injury pay, was not on an unpaid leave of absence, was not suspended from duty for disciplinary reasons and did not take unpaid time off the payroll; and
 - (b) During the full term of the trimester, the employee was in active service; and
 - (c) At the beginning of the trimester, the employee had an amount of earned and unused sick leave credit in his/her sick leave account of 120 hours.
4. In each of the trimester periods set forth in subsections D.1. and D.2., above, that an employee is eligible for a sick leave control incentive benefit, he/she shall elect either a special incentive leave or special sick leave incentive payment:
 - (a) If an employee elects a special sick leave incentive payment, he/she shall be entitled to receive a lump-sum cash payment equivalent to eight hours of his/her base salary computed on the basis of his/her hourly base salary

rate in effect on the last day of the trimester for which the payment was earned. Such payment shall not be deemed part of the employee's base salary and shall not have any sum deducted for pension benefits nor shall it be included in determination of pension benefits or any other benefits and/or compensation provided by the City. Sick leave control incentive payments provided hereunder shall be made as soon as is administratively practicable following the close of the Trimester Period in which they were earned.

- (b) If an employee elects a special incentive leave, he/she shall earn one day off with pay. This earned day off with pay must be taken off in full-day (eight-hour) increments and used by the employee in the remainder of the fiscal year. No deduction will be taken from the employee's sick leave account for each such off day taken. An off day earned in the last trimester may be used any time in the following fiscal year, at a time consistent with the requirements of department operations, taking into consideration the rights of employees who have scheduled time off for the current year. The earned day off shall be scheduled in accordance with departmental operations. For purposes of this paragraph, fiscal year shall be defined as Pay Periods 1-26 or 27, whichever is appropriate.

- b. Existing benefits provided under the "Hospital Surgical-Medical Contract Base Coverage" part of the Basic Plan for inpatient hospital treatment of alcoholism, drug abuse and nervous and mental disorders, shall be available to each participant for a maximum of thirty (30) days during any one calendar year. Within 48 hours of the hospital admission time for any urgent or emergency procedure performed on an employee, or his/her dependents, the employee or adult responsible shall be required to notify the designated UR/CM program representative of this fact by telephone in accordance with procedures established by the Employee Benefits Administrator for that purpose; provided, however, that if bona fide medical circumstances applicable to the employee or their dependents preclude compliance with the 48-hour notification requirement, UR/CM shall authorize a reasonable extension of this time limit consistent with the circumstances. This provision shall expire at the end of Pay Period 26, 2010.

C. If the City reduces its work force, it shall give the Union at least four weeks notice prior to the effective date of the layoff of the initially affected employee. The City and the

Union shall meet within three working days of the notice to discuss layoffs. The City, at this meeting, shall provide the Union with a current seniority list of the department. At this meeting, the Union will identify those employees who are subject to the terms of A.1.(b), above.

- D. 1. When layoffs are occasioned by emergency or are not expected to exceed 20 working days, the foregoing provisions regarding notice and the rules hereinafter set forth shall not apply. In such cases, the City shall notify the Union immediately of the situation and shall meet with the Union within three working days to fully apprise it of its reasons for layoff and the expected duration thereof.
 - 2. When layoffs occur in jobs or are occasioned by layoffs in jobs in divisions where seasonal fluctuations are traditional, the provisions of B. and C.1., above, as regards notice by the City and the requirements of meeting with the Union shall not apply.
 - 3. When seasonal layoffs or recalls occur in classifications where subsequent layoffs or recalls are likely or in work activities in which the last work will be performed in subsequent weeks, the City shall have the right to layoff or recall employees out of their order of seniority for a period of up to 20 work days. Where the employee elects to waive recall to the first opening and agrees to wait until "primary" jobs open in the "main" division, the City will not challenge unemployment compensation.
- E. 1. When it becomes necessary to reduce the work force in a particular job, the employees with the least seniority in the job and job title shall be laid off and bump the least senior employee holding a job and job title which the affected employee held if:
 - a) The affected employee has more seniority.
 - b) The affected employee is capable of performing the job of the employee with lesser seniority.
 - c) The affected employee transfers or bumps to a position in the same or

lower pay range than the affected employee currently holds.

2. When an employee with insufficient seniority has, in the judgment of the City and the Union, an obvious ability to perform a related job within the same division in the same or lower pay range held by an employee or employees with lesser seniority, the City and Union may discuss and determine placement of such affected employee in such job. When such conditions are met and the City and the Union are in disagreement, an affected employee who meets minimum qualifications shall be given upon request, an appropriate qualifying examination and/or appropriate physical examination and the employee shall be allowed to take a transfer or reduction in rank if the employee achieves a passing grade.

F. Breaks in Seniority

1. Union bargaining unit seniority shall be broken when an employee:
 - a) Retires;
 - b) Resigns from City Service;
 - c) Is discharged and the discharge is not reversed;
 - d) Is terminated during his/her initial probationary period;
 - e) Is not recalled from a layoff for a period of three years if the layoff results in a discontinuation of the employee's service with the City;
 - f) Is recalled from a layoff and does not report for work within three calendar weeks;
 - g) Does not return at the expiration of a leave of absence;
 - h) Is transferred/promoted to a non-management or non-supervisory classification outside the Union bargaining unit and successfully completes the probationary period for that position.
2. Classification seniority shall be broken when an employee:
 - a) Is terminated during a probationary period;
 - b) Is voluntarily or involuntarily demoted.
 - c) Is not recalled from a layoff for a period of eleven (11) years, if during

the layoff the employee's service with the City is continuous.

In case of b), above, if the employee is reinstated or promoted to the position from which he/she was demoted, the date of such reinstatement or promotion shall become the employee's classification seniority date unless otherwise determined by the City Service Commission.

- G. 1. A senior employee who elects to take a position in a lower pay range held by an employee with less seniority shall be paid at the normal maximum of the pay range in which the job falls. However, an employee who elects to take a position in a rate range which has special attainment steps, who meets the qualifications prescribed, or who would have qualified for them on the date the appropriate contract became effective, shall be paid the appropriate step. In no event shall the employee by application of this provision be paid in excess of the rate of pay the employee was earning prior to his/her reduction.
- 2. When an employee who has been reduced in rank from a position the employee previously held is recalled to a job classification in a pay level above his/her current position but lower than the pay levels of the original position, the employee will be paid at a rate nearest the rate paid in the original position. In no event shall the employee, by application of this clause, be paid in excess of the rate he was earning prior to his reduction. This paragraph will not apply to the laborer and other related positions now covered by the "time in grade" rule for positions affected by seasonal fluctuations.
- H. 1. Recall to the job shall be by application of seniority in reverse order of layoff. An employee who has not qualified for a lower rated job shall not be recalled until the position the employee held at the time of his/her layoff again becomes available.
- 2. When a reduction affects an employee who held a previous position in another division and the employee is to return to that division, the employee shall be reinstated to all previous promotion lists that the employee was on before being

promoted.

3. Where an employee with ten years of seniority service in a given department is promoted or transferred to another department and is subsequently affected by a reduction in force in the new department that would result in a discontinuation of the employee's service with the City, such employees shall have an option (which must be exercised, if at all, within five days of the employee's notice of such reduction in force) to return to such former department and thereupon exercise such seniority rights as the employee has in said former department in accordance with paragraph D of this Article.
- I. Employees in an affected job and job title having the same starting date shall have their relative seniority status determined as follows:
 1. If said employees' names appear on a single eligible list for the affected job, then their relative seniority status shall be determined by their rank on the eligible list. Ranking procedures for eligible lists are governed by City Civil Service rules and procedures.
 2. If rank on an eligible list is not determinative, relative seniority status shall be determined by lot at the Division of Labor Relations with a Union member present.
 - J. An employee hired or promoted by the City on a regular appointment basis under City Service Commission rules and regulations into a program or project which depends for its continued existence on the availability to the City of federal or state funds shall be subject to the provisions of this Article. An employee hired on an exempt basis by the City directly into such a program or project shall not be subject to the provisions of this article. An employee transferred into one of said programs or projects who had attained City Service status at time of entry into such programs or projects shall continue to accrue seniority during the course of his/her service in such programs or projects and shall be subject to the provisions of this Article.
 - K. This Article is extended pro tanto to the following departments in which members of

TEAM are employed and to any other departments that are certified into TEAM during the duration of this Agreement:

Department of Neighborhood Services

Department of Public Works

Engineering Division of the Port of Milwaukee

Department of City Development

Each of said departments will be administered as a separate unit for purposes of seniority in case of layoff.

- L. Except for employees in positions covered by subsection A.2., above, or L., below, employees covered by this Agreement from and after August 5, 1990, shall not have bumping and recall rights to positions outside the Union's bargaining unit.
- M. In the event another City union agrees to allow employees in positions represented by TEAM to bump into their bargaining unit and such agreement is included in their labor agreement with the City or an amendment to their labor agreement, then employees shall have bumping and recall rights to positions outside the Union bargaining unit as provided in that affected Union's labor agreement with the City.

ARTICLE 18

JOINT CITY-UNION EARLY INTERVENTION PROGRAM

A Joint City-Union Early Intervention Program shall be established in accordance with the May 12, 1993 agreement between the City and Union.

ARTICLE 19

AMERICANS WITH DISABILITIES ACT (ADA)

The parties recognize the obligation of the City to comply with the Americans with Disabilities Act (ADA). Before the City takes any steps, including reasonable accommodation, that may conflict with this Agreement, it will meet with the Union to discuss those steps that may be taken in that individual case. In those discussions the parties will respect the confidentiality of the disabled person as required by the Act.

ARTICLE 20

LONG TERM DISABILITY PROGRAM

1. Basic coverage featuring benefits to age 65 after an elimination period of 180 calendar days will be provided at no cost to employees who work at least 20 hours per week on a year-round basis and have completed six months of active service following a regular or exempt appointment. Shorter elimination periods will be available through payroll deductions. An employee who is or becomes in a laid off situation shall not be eligible for LTD benefits. LTD benefits will begin only after all other temporary disability benefits, such as accumulated sick leave, have been exhausted.
2. During a qualifying period of disability, the LTD benefit program will provide no less than 60% of monthly base earnings (excluding bonuses and overtime) as income replacement, up to a maximum of \$5,000.00 per month, reduced by all available temporary disability benefits such as sick leave benefits; amounts available from any other city, state or federal programs which may be paid on account of the same disability; and any income earned by the employee during the period of disability.
3. Benefits payable under the LTD benefit program shall be established by an LTD benefit administrator selected by the City. The LTD benefit administrator shall provide a procedure for an employee to dispute claims and claim decisions. No dispute arising under the LTD benefit program shall be subject to the grievance and arbitration procedures set forth in this Agreement, except an allegation that the City has failed to pay required payments to the LTD benefit administrator.
4. The City shall retain the right to manage, at its sole discretion, the administration and funding of the LTD benefit program, including, but not limited to selecting, changing, or terminating third party LTD benefit administrators, operating as the LTD benefit administrator, establishing and managing reserve funds in relation to the LTD benefit program, self-funding the LTD benefit program, and entering into or terminating insurance agreements in relation to the LTD benefit program.

APPENDIX B

WELLNESS AND PREVENTION

A Wellness and Prevention Program and a Wellness and Prevention Committee shall be implemented to promote the wellness and prevention of disease and illness of City employees, retirees and their family members. The Wellness and Prevention Program shall include an annual Health Risk Assessment (HRA) and may contain, but shall not be limited to, some or all of the following components: benefit communication, medical self-care, nurse line, consumer health education, injury prevention, advanced directives, preventive medical benefits, targeted at-risk intervention, high-risk intervention, disease management, condition management, wellness incentive or other components agreed upon by the City and the unions.

The City shall retain a consultant to assist in developing a plan for a comprehensive wellness and prevention program for the City and to assist in making program adjustments.

A Wellness and Prevention Committee shall be established to assist the consultant in the design of the Wellness and Prevention Program and to provide oversight of the program. The Wellness and Prevention Committee shall be comprised of nine union members appointed by the unions and three management representatives appointed by the Mayor. Two of the nine union members on the Wellness and Prevention Committee shall be Milwaukee District Council 48, AFSCME members as determined by District Council 48. The City has agreed that two of the nine union members on the Wellness and Prevention Committee shall be Milwaukee Police Association (MPA) members as determined by the MPA and one member of the nine union members will be from Local 215 as determined by Local 215. The City has agreed that one of the nine members shall be a member from either the Milwaukee Building and Construction Trades Council (MBCTC) or Lo. 494, DPW-Electrical Group as determined jointly by MBCTC and Lo. 494, DPW-Electrical Group. The City agrees that one of the nine members shall be a member from the Technicians,

Engineers and Architects of Milwaukee (TEAM) as determined by TEAM. The City agrees that no other Union except DC48 and MPA may have more than one voting member on the Committee. The City has also agreed to allow other union presidents and union staff representatives or business agents to attend and participate in all Committee meetings, but only the nine members of the Committee will be allowed to officially make decisions and/or vote if necessary.

Decisions of the committee shall be by consensus. Consensus shall be reached when ten committee members agree. The committee shall make no decisions that require employees to pay additional out-of-pocket costs unless they are ratified by every City bargaining unit. However, the committee may decide to provide additional lump sum compensation to employees, reduce an out-of-pocket monthly expense or provide some other type of benefit without ratification by the bargaining units. No decision made by the committee or failure to make a decision shall be subject to any aspect of the various grievance procedures, complaint procedures, court action or any other type of dispute resolution mechanism.

The City shall develop a Request for Proposals (RFP) and solicit bids from third party vendors qualified to implement the Wellness and Prevention Program. Upon conclusion of the bidding process, the City shall meet with the unions to review the results of the RFP. The committee shall decide on the vendors giving due consideration to all City policies associated with the selection procedures. The City shall not spend more than two million dollars per year, including the cost of conducting the HRA, on the Wellness and Prevention Program.

All parties involved with the HRA shall abide by all laws governing the release of employee medical records.
