COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

As a Participating Jurisdiction (PJ) and entitlement community, the City of Milwaukee-Community Development Grants Administration (CDGA), receives annual funding allocations from the Federal government to fund activities to address the following three (3) National objectives of the U.S. Department of Housing and Urban Development (HUD):

- Principally benefits low/moderate income persons
- Prevents or eliminates slum or blight
- Addresses an urgent need or problem in the community (e.g., natural disaster)

The overall goal of the program is to address the needs of Milwaukee's low-income residents through funding and promotion of Programs that strive to provide the greatest measurable impact in our community.

Many activities conducted are under the direct control and supported by the following Federal entitlement funds which are Administered by the Community Development Grants Administration: Community Development Block Grant (CDBG), HOME Investment Partnerships, Stewart E. McKinney Emergency Shelter Grants (ESG), Housing Opportunities for Persons with AIDS (HOPWA) and American Dream Downpayment Initiative (ADDI).

Geographic Distribution: The geographic distribution for these entitlement funds, with the exception of HOPWA funds, is the Community Development Block Grant Target Area. The HOPWA funds cover the four-County Milwaukee Metropolitan Statistical Area comprised of: Milwaukee, Waukesha, Ozaukee and Washington counties.

Utilizing the City's Housing and Community Development Consolidated Plan as a blueprint for investment in Milwaukee's neighborhoods, funding is targeted to programs that are consistent with the following strategies:

- Create jobs through aggressive economic development
- Revitalize neighborhoods by targeting resources to make a clear and measurable impact
