

Mandatory MIDAS – Provider Portal Registration

The CMO is enforcing the following provision in your Provider Contract, in order to improve timely communication and information sharing between providers and the CMO:

Section 1 (J) 1.

Provider understands and agrees that in order to conduct day-to-day business transactions efficiently with the CMO, it will be necessary for Provider to have access to a computer system with email and Internet access to CMO database (MIDAS). Provider may access email and the Internet in the most cost efficient manner available to Provider. In all instances, Provider shall insure the confidentiality of CMO records and member information.

To facilitate your registration in the MIDAS Provider Portal, please contact the CMO Privacy Officer, Jill Olson via email at jill.olson@milwcnty.com. Jill will need your EIN, facility name, and billing provider name in order to register you. Please note that it will be necessary for you to register for each of your facilities separately.

Once you have logged into the Portal please go to the Provider Management tab and update the Provider Demographic. Additional Information and Provider Contact pull down tabs. Please note that the Provider Contact pull down tab includes many different contact types, it is only necessary for you to complete those tabs which apply to your business.
