As individuals or as an organized group, we have little or no control over a person's ability or desire to commit a crime. If the criminal has the desire and ability and has selected a victim, all that is necessary to commit a crime is opportunity, which we do have control over. By learning to anticipate and recognize a risk, we then can take actions to avoid or reduce the criminal's opportunity to make us victims.

**CRIME FIGHTING IS NOT A
SPECTATOR SPORT.**

**WE-TIP anonymous crime reporting hotline
(for crimes in progress use 911)**

1-800-78-CRIME (1-800-782-7463)

**Up to \$1000.00 reward for information
leading to arrest and conviction.**

VEHICLE THEFT PREVENTION GUIDE

**Simple tips to help
you from being
a victim of a
stolen auto
and vehicle
break in.**
