

Milwaukee County's Criminal Justice Leadership Respond Collaboratively to COVID-19 Crisis

March 28, 2020

Milwaukee County, Wis. – During this unprecedented time, leadership who make up [Milwaukee County's Community Justice Council](#) have been working together to thoughtfully develop robust, mitigation strategies aimed at minimizing the spread of COVID-19 throughout our local justice system and in the broader community. In alignment with our commitment to keeping the community involved and apprised of justice system happenings, we are in the process of compiling a detailed summary of the enacted changes and will be releasing that information in the days ahead. In the interim, please visit Milwaukee County's webpage dedicated to [COVID-19](#) for the latest orders and updates. We ask all residents of Milwaukee County join us in fighting this pandemic by staying at home. Follow [#SaferatHome](#) for more information.
