Welcome to the Milwaukee Police Department

VISION

A Milwaukee where all can live safely and without fear, protected by a police department with the highest ethical and professional standards.

MISSION

In partnership with the community, we will create and maintain neighborhoods capable of sustaining civic life. We commit to reducing the levels of crime, fear, and disorder through community-based, problem-oriented, and data-driven policing.

NEW

The Milwaukee Police Department is providing an interactive database (<http://city.milwaukee.gov/crime-statistics>) to enable the public to access crime in the City of Milwaukee.

Milwaukee Police in the Community Video

The Milwaukee Police Department along with local company CI Design worked together to produce a video as our officers work with residents to make a strong community.

WE ARE THE GUARDIANS - New MPD Website

To serve and protect. Those words guide us every day and define everything we do. Always have and always will. Our mission is to provide guidance and support to the Milwaukee communities we safeguard. We serve. We protect. Plain and simple.

Weekly Incident Trend Analysis Based on selected date range

Year-to-Date

Uniform Crime Reporting (UCR) guidelines for Part 1 Offenses include counting Homicide, Rape, and Aggravated Assault by victims. All other crime types are counted by incidents. Geographic areas are based on reporting districts. Incidents without an identified reporting district in the incident report are coded as null locations. Specific locations and names of persons involved have not been included to protect the identity of the individuals. Information is not yet verified and may include mechanical or human error. Preliminary crime classifications may be changed at a later date based upon further investigation(s).
