32 employees with over 15 years of seniority will not be required to rotate.

9 overtime provisions will apply.

1 orientation from the area best able to operate with reduced staff before the need is filled  
2 in any other manner.

7 senior employee shall be returned to the employee's department or ward first, if the  
8 employee so requests.

9 (5) Both parties understand as a matter of principle that when an employee is reassigned to  
10 another unit, the employee should not be placed in a position in which the employee  
11 could not provide safe patient care. If the employee objects to the assignment, the  
12 employee will verbally inform the appointing authority of the reasons for the objection.  
13 If the assignment is not rescinded, the employee will fulfill the assignment to the best of  
14 the employee's ability. It is understood that the Hospital will assume full responsibility  
15 for the assignment.

4 or more on duty, except in emergency situations.

5  
6 2.09 TEMPORARY ASSIGNMENTS

7 (1) Employees may be assigned to perform the duties of a position in a higher classification  
8 and shall be paid as though promoted to the higher classification under the following  
9 conditions:

10 (a) Such assignment is made in writing on the Temporary Assignment Form;  
11 provided, however, that the omission of such written assignment shall not bar  
12 a grievance requesting pay for work in the higher classification.

13 (b) Such employee works in the higher classification for not less than 3  
14 consecutively scheduled working days. Paid time off shall not be included in  
15 the computation of the 3 consecutive scheduled working days but said days

18 incumbent of that position during the period of the assignment.

20 forwarded to the Division of Human Resources, a temporary assignment may be  
21 made and may continue for no more than 90 days after the Director of Human  
22 Resources has provided a certified list of candidates eligible for appointment to  
23 the vacancy.

24 (e) If the position is temporarily vacant, a temporary assignment may be made for the  
25 duration of the temporary vacancy, but shall not exceed one year.

26 (2) Employees who accrue compensatory time while on temporary assignment shall liquidate  
27 such time at the rate of pay of the classification to which assigned to the time of  
28 liquidation.

9 each official trip taken and paid for by the employee. The employee shall be reimbursed  
10 for each such trip at the rate of a single fare bus ticket, but the total reimbursement for  
11 each week shall not exceed the rate for a single zone weekly bus pass. The pay for the

13 signed by the employee and approved by the head of the department to which the  
14 employee is assigned.

19 cost to participate in the program shall be in accordance with the appropriate adopted Milwaukee  
20 County resolution/ordinance authorizing participation in such program.

21

22 2.11 RETIREMENT SYSTEM

- 23 (1) For employees hired on and after January 1, 1982, the provisions of Chapter 201.24,  
24 Employees' Retirement System, shall be modified as follows:
- 25 (a) Final average salary means the average annual earnable compensation for the 5  
26 consecutive years of service during which the employee's earnable  
27 compensation was the highest or, if the employee should have less than 5 years  
28 of service, then the employee's average annual earnable compensation during  
29 such period of service. Effective December 22, 2002 (pay period one of 2003)  
30 final average salary means the three highest consecutive years of earnable  
31 compensation.

1 (b) An employee who meets the requirements for a normal pension shall receive an  
2 amount equal to 1-1/2 percent of the employee's final average salary multiplied  
3 by the number of years of service.

4 (c) All pension service credit earned on and after January 1, 2001, shall be credited  
5 in an amount equal to 2% of the employee's final average salary. For each year  
6 of service credit earned after January 1, 2001, eight (8) years of service credit  
7 earned prior to January 1, 2001, shall be credited at 2% of the employee's final  
8 average salary. This provision shall not apply to a member of the Employees'  
9 Retirement System who became a member of the system on or after January 1,  
10 1982 and as of January 1, 2001, is either eligible for a deferred vested pension  
11 benefit or is receiving a pension benefit, unless such member returns to active  
12 County employment and is eligible to earn additional pension service credit.  
13 Said credit shall be awarded on a daily basis.

14 (d) Any employee whose last period of continuous membership began on or after  
15 January 1, 1982, shall not be eligible for a deferred vested pension if the  
16 employee's employment is terminated prior to the employee's completion of 5  
17 years of service.

18 (2) Employee-members retiring after February 18, 1982, shall be eligible for a normal pension if  
19 employee's employment is terminated on or after employee has attained age 55 and has  
20 completed 30 years of service; or if the employee's employment is terminated on or after the  
21 employee has attained age 60 and has completed 5 years of service, or if employee's age and  
22 pension credits equal 75.

23 (3) In the event of the death of an employee-member in active service prior to age 60 and after  
24 completing at least 10 years of service, employee's surviving dependent spouse or child  
25 shall receive a survivor pension. This provision shall apply to all employee-members hired  
26 on or after February 18, 1982. Effective January 1, 2001, this shall be at least 5 years of  
27 service.

28 (4) Retention Incentive Bonus. Members of the System whose membership began  
29 prior to January 1, 1982, and as of January 1, 2001, are either actively employed  
30 or on an approved leave of absence, shall have their final average salary increased  
31 by a bonus of 7.5% for each year of pension service credit earned after January 1,  
32 2001. Said bonus shall be credited on a daily basis and the maximum bonus  
33 which can be added to an eligible member's final average salary shall not exceed

1 25%. This provision shall not apply to a member of the Employees' Retirement  
2 System who became a member of the System prior to January 1, 1982, and as of  
3 January 1, 2001, is either eligible for a deferred vested benefit under 201.24 (4.5)  
4 or is receiving a pension benefit, unless such member returns to active County  
5 employment and is eligible to earn additional pension service credit.

- 6 (5) For all employees who are members of the Employees' Retirement System as of January  
7 1, 1971, the County shall contribute a sum equal to 6% of each employee's earnings  
8 computed for pension purposes into such account on behalf of each such employee. All  
9 such sums contributed, in addition to the contributions previously made by the employee,  
10 shall be credited to the employee's individual account and be subject to the provisions of  
11 the pension system as it relates to the payment of such sums to such employees upon  
12 separation from service. The provisions of this paragraph shall not apply to employees in  
13 the bargaining unit in the following classes who were not members of the Employees'  
14 Retirement System on or before the 12th day of December, 1967, or whose date of hire is  
15 later than December 23, 1967:

16 Emergency appointment, full time

17 Emergency appointment, part time

- 18 (6) For employees hired after December 31, 1986, overtime worked shall not be included in  
19 the computation of final average salary
- 20 (7) A member of the retirement system shall be eligible for an accidental disability pension if  
21 the employee's employment is terminated prior to the employee's normal retirement age  
22 by reason of total and permanent incapacity for any duty as the natural and proximate  
23 result of an accident occurring at some definite time and place while in the actual  
24 performance of duty. The last payment shall be made, if disability ceases prior to the  
25 employ's normal retirement date, the first day of the month in which the disability ceases.

26 Disability shall be considered total and permanent if the Medical Board, after a  
27 medical examination of such member, shall certify that such member is mentally or  
28 physically incapacitated to perform any job that they are reasonably suited for by means  
29 of education, training, or experience. Disability must be as a result of such service  
30 accident and such incapacity is likely to be permanent. A member shall not be entitled to  
31 both accidental disability pension and ordinary disability pension. A member who meets  
32 the requirements for an accidental disability pension shall receive an amount computed in  
33 the same manner as a normal pension considering the employee's earnable compensation

1 and service prior to retirement but no less than 60% of the employee's final average  
2 salary.

3 (8) Employees retiring on and after January 1, 1991, shall be entitled to pension service  
4 credit for military service under Section 201.24 II(10) of the Employees' Retirement  
5 System as amended by the County Board of Supervisors through File #85-583(a),  
6 notwithstanding the effective date indicated in the amendment.

7 (9) The following shall apply only to members of the Employees' Retirement System prior to  
8 January 1, 1997, and does not apply to employees who become members of the  
9 Employees' Retirement System on and after January 1, 1997:

10 Members who retire on and after January 1, 1997, shall be eligible for a normal pension  
11 when the age of the member when added to his/her years of service equals 75, but this  
12 provision shall not apply to any member eligible under 4.5 of Chapter 201, Employees'  
13 Retirement System of the County of Milwaukee.

14 (10) Members who hold positions for which membership in the Employees' Retirement  
15 System is optional and opt for such membership, shall have pension service credit earned  
16 after January 1, 2001, credited at 2%. However, such service credit shall not result in a  
17 multiplier increase for service credit earned prior to January 1, 2001, nor shall such  
18 service credit qualify the member for a retention incentive bonus. A member who is 55  
19 years of age and has 15 years of credited service may elect to receive early, reduced  
20 retirement benefits. The member would be entitled to a benefit equal to the normal  
21 retirement with a lifetime reduction of five (5) percent for each year prior to the normal  
22 retirement date.

23 (11) SICK ALLOWANCE BALANCE ON RETIREMENT

24 (a) Members of the Employees' Retirement System, whose membership  
25 began prior to September 27, 1995, shall receive full payment for all  
26 accrued sick allowance hours earned before December 16, 2005, at the  
27 time the employee retires. Twenty five percent (25.0%) of any remaining  
28 accrued sick allowance hours earned on and after December 16, 2005,  
29 shall be paid out at the employee's final hourly rate of pay. For  
30 calculation purposes, sick leave earned before December 16, 2005, shall  
31 be used prior to sick leave earned on and after December 16, 2005, for all  
32 hours of sick leave used prior to retirement. Such payment shall be made  
33 in a lump sum, and shall not be included in the calculation of the

1 member's final average salary for pension calculation purposes. If  
2 permissible under IRS provisions, such payment shall be placed in a "back  
3 drop account" in the Employees' Retirement System. The provisions of  
4 this section shall not apply to a member who is eligible for a deferred  
5 retirement benefit under section 4.5 of 201.24 of the Employees'  
6 Retirement System.

7 (b) Members of the Employees' Retirement System whose membership began  
8 on or after September 27, 1995, are not eligible for County paid health  
9 insurance after retirement, but shall have the full value of their accrued  
10 sick allowance at the time of retirement (total hours accrued times the  
11 hourly rate at the time of retirement) credited toward the cost of health  
12 insurance after retirement. When the amount credited is exhausted, the  
13 member or eligible beneficiary may opt to continue their participation in  
14 the County Group Health Benefit Program upon payment of the full  
15 monthly cost. The provisions of this section shall not apply to a member  
16 who is eligible for a deferred retirement benefit under section 4.5 of  
17 201.24 of the Employees' Retirement System.

18 (c) These provisions of the Sick Allowance Balance on Retirement are only  
19 available to employees who have completed their last day of work on or  
20 after January 1, 2001, and/or who have filed an application for retirement  
21 on or after January 1, 2001.

22 (12) **BACK DROP PENSION BENEFIT**

23 The provisions of this section shall apply to any employee whose application to  
24 retire is effective after January 1, 2001, and whose last period of continuous  
25 membership in the Employees' Retirement System began before December 16,  
26 2005; but shall not apply to any member of the Employees' Retirement System  
27 who is eligible for a deferred pension benefit under 201.24(4.5). Nor shall this  
28 provision apply to any employee whose membership in the Employees'  
29 Retirement System began on or after December 16, 2005. Upon retirement, an  
30 eligible employee may opt for a "back drop" pension benefit as follows:

31 (a) An employee may request a monthly pension benefit based on accrued  
32 pension service credit and final average salary calculation as of a specific  
33 date in the past which shall be referred to as the "back drop date". The

1 “back drop date” may not be prior to the earliest date that the employee  
2 was eligible to retire, and shall not be less than one year prior to the date  
3 the employee leaves active County employment. The monthly pension  
4 benefit the employee was eligible to receive as of the “back drop date”  
5 shall be referred to as the “monthly drop benefit”.

6 (b) The total amount of the “monthly drop benefit” payments the employee  
7 would have received (plus the annual 2% pension increase) between the  
8 “back drop date” and the date the employee is removed from the County  
9 payroll due to actual retirement (after exhausting all allowable accrued  
10 time balances as documented by an ETCR form excluding sick allowance  
11 payments), plus interest earnings compounded on a monthly basis equal to  
12 the pension fund rate of return used by the ERS actuary for computing the  
13 County’s annual contribution to the system, shall be referred to as the  
14 “total drop benefit”.

15 (c) If the employee opts for a “back drop” pension benefit:

16 1. The “total drop benefit” shall be paid to the employee with  
17 appropriate deductions for state and federal taxes; or if permitted  
18 by IRS regulations, the employee may “roll over” the “total drop  
19 benefit” to an IRA.

20 2. The member shall begin to receive monthly payments of the  
21 “monthly drop benefit” (plus the 2% annual pension increase).

22 (d) The standard pension options shall be available to an employee who opts  
23 for a “back drop benefit”, and the retention incentives incorporated into  
24 the pension benefit effective January 1, 2001, shall be included when  
25 calculating the “monthly drop benefit”.

26 (13) Complete details of the pension plan are described in a separate booklet and in County  
27 Ordinances.

## 28 29 2.12 SICK LEAVE

30 (1) Employees may be given leave of absence with pay for illness or disability of 3.7 hours  
31 for each pay period, or a proportionate credit for employees who regularly work less than  
32 40 hours per week; provided, however, that such credit shall be canceled for each pay  
33 period in which the employee is absent without pay for more than 3/8 of the required

1 hours except absences due to disability in line of duty or leave for military service; and  
2 further provided that:

3 (a) Reasons for the absence and the good faith of the employee in taking such leave  
4 shall be supported by such reasonable evidence as may be required by the  
5 appointing authority including a physician's certificate, personal affidavit, or by  
6 other means; and

7 (b) That when the illness or disability of an employee is such as may make it  
8 necessary to take leave of absence of more than 3 days, a statement shall be made  
9 to the appointing authority in writing from a licensed physician or from an  
10 authorized Christian Science practitioner, stating the period of time the employee  
11 was unable to work because of illness or disability, including a statement that the  
12 employee is free of communicable disease.

13 (2) Such leave of absence with pay shall accrue during the first six months of service but shall not  
14 be granted until the completion of six months of service, unless injury or disability is incurred  
15 in line of duty.

16 (3) Employees working less than full time and eligible to accumulate sick leave shall be granted  
17 leave of absence with pay for illness or disability on any regularly scheduled day when unable  
18 to work due to illness or disability. Illness or disability on scheduled workdays in addition to  
19 the employee's regular schedule shall not qualify for paid sick leave.

20 (4) In addition to other causes set forth in sec. 17.18(4), C.G.O., sick leave may be taken for the  
21 purpose of enabling employees to receive non-emergency medical attention during duty  
22 hours. Such leave may be allowed for scheduled appointments for any type of medical or  
23 dental care, provided that the employee has given 24 hours or more notice to the supervisor of  
24 the date and time of the appointment. This modification in the use of sick leave recognizes  
25 the current difficulty encountered in attempting to schedule non-emergency medical treatment  
26 during an employee's off duty hours. Because of the nature of the treatment or examination  
27 for which sick leave is allowed for these purposes, such absences are predictable. In order to  
28 be excused from duty for the type of medical treatment or examination contemplated herein,  
29 the practitioner treating the employee shall provide the employee with written notice setting  
30 forth the date and time of the employee's appointment, which notice shall be filed with the  
31 employee's supervisor.

32 Excused time charged against sick leave for these purposes shall be limited to a  
33 maximum of 3 hours per incident, including travel between the employee's work site and the

1 place of the appointment and shall not be counted as an incident of illness for the imposition  
2 of a doctor's certificate requirement.

- 3 (5) Upon returning to County employment, a former employee shall have their sick leave balance  
4 credited with all accrued sick allowance hours that remained at the time the employee left  
5 County service. This section shall impact all new hires and all current members of the  
6 bargaining unit and shall be implemented in accordance with the provisions of 17.18 of the  
7 CGO.  
8

9 2.13 BEREAVEMENT, CRITICAL ILLNESS, WEDDING LEAVES

- 10 (1) Paid leave in accordance with the following formula shall be granted to employees with  
11 more than six months of service having sufficient accrued sick leave from which such  
12 leave shall be deducted.  
13

	CRITICAL ILLNESS	DEATH	WEDDING

- 31 (5) The provisions of this section are subject to the requirements of the Order issued  
32 by the Honorable Myron L. Gordon, in Jonnie Jones, et al, vs. Milwaukee County,  
33 et al. Civil Action no. 74-C-374.

- 1 (6) Any vacancy will be filled first by a regular employee before being filled by an  
2 employee in pool status.
- 3 (7) Promotion shall be defined as occurring whenever an employee accepts a position  
4 which is in a pay range with a maximum rate of pay greater than the maximum  
5 rate of pay for the position held by the employee. Employees who wish to be  
6 considered for a promotion shall file an application on Cerdian Self Service web  
7 site for the desired position with the Division of Human Resources during the  
8 time period when such applications are accepted. Employees eligible for  
9 appointment to a vacancy being filled shall have their names added to the  
10 qualified group list by the Director of Human Resources as in accordance with the  
11 Civil Service Rules.

12 (B) Definitions

- 13 (1) Intra-departmental transfer shall mean a transfer from one position to another  
14 under the same appointing authority.
- 15 (2) Inter-departmental transfer shall mean a transfer to another position with the same  
16 title and the same pay range to another department. Additionally inter-  
17 departmental transfer shall mean a transfer to another position with a different  
18 title from the same or higher pay range in another department.

19 (C) Filling a Vacancy

- 20 (1) Any employee desiring a change of shift or change of status within their current  
21 unit shall submit such a request to their supervisor, which shall be granted in  
22 seniority order prior to the position being posted. All shift changes occur prior to  
23 determining the vacant position.
- 24 (2) Vacancies shall be filled using the layoff/recall list prior to filling in any other  
25 manner, including posting and change of status.
- 26 (3) Until such time as the Internet job postings for transfers are on Cerdian Self  
27 Service website, notices of all positions within the bargaining unit which are to be  
28 filled shall be posted within the respective department (Behavioral Health  
29 Division, DHS, Juvenile Court Center, Department on Aging, County Corrections  
30 Facilities Central (CCFC), and County Corrections Facilities South (CCFS),) as  
31 mutually determined by FNHP and the appointing authority seven (7) days prior  
32 to filling. Postings shall include job title, department, unit, shift, job title, and full  
33 time equivalent (FTE). Employees wishing to be considered for appointment to

1 such vacancies shall make their requests in writing during the posting period to  
2 the appointing authority. Copies of posted vacancies shall be sent to the  
3 Federation at time of posting. Each appointing authority with positions in the  
4 bargaining unit shall post all vacancies authorized to be filled, including pool  
5 positions, on the Cerdian Self Service website as soon as administratively  
6 practical. The information on the internet shall include: job title, appointing  
7 authority; department/location; shift; FTE status. The information shall remain  
8 posted a minimum of seven (7) days prior to filling the position to permit eligible  
9 employees to file an appropriate transfer request and be considered.

10 (4) When a vacancy is authorized to be filled, it shall be filled by the most senior  
11 candidate on the intra-departmental list who is not in the disciplinary process prior  
12 to being filled in any other manner.

13 (5) When a vacancy is not filled with an intra-departmental transfer, the appointing  
14 authority shall forward a certification request to the Director of Human  
15 Resources. The Director of Human Resources shall provide the appointing  
16 authority with a qualified group list of all candidates eligible for appointment to  
17 vacancies in the bargaining unit available at all times. The vacant position will  
18 then be filled from a list certified by the Director of Human Resources which  
19 would include external candidates; Intra-departmental promotions; Inter-  
20 departmental demotions, transfers and promotions.

21 (6) Consideration for filling a vacancy will be in the following order:

22 First: Intra-departmental (same appointing authority) transfers  
23 within the same classification with the same pay range.  
24 Also a voluntary demotion from a different pay range by  
25 seniority.

26 Second: Intra-departmental promotions from the qualified group  
27 list. Inter-department (different appointing authority),  
28 transfer within the same classification or higher pay range.  
29 Also a voluntary demotion from a different pay range by  
30 seniority.

31 Third: Inter-departmental promotions.

32 Fourth: Non-bargaining unit applicants on the qualified group list

- 1 (7) All promotions and inter-departmental transfers to vacant positions shall be based  
2 on merit and fitness as determined by the Director of Human Resources.  
3 However, merit and fitness being equal, the most senior member of the bargaining  
4 unit shall be appointed. Merit and fitness shall be defined as a review of a  
5 candidate's; experience, education, job performance, attendance, job related  
6 knowledge or skills, and professional certification.
- 7 (8) Nothing in this section shall preclude administrative transfers between appointing  
8 authorities with the mutual consent of the union and management and said  
9 administrative transfer shall have priority over transfer requests.
- 10 (9) Involuntary transfers. For the purpose of this section, an involuntary transfer shall  
11 mean the relocation of an employee from a unit which has been closed or reduced  
12 in staff, to another position in the same classification, in another unit under the  
13 same appointing authority. Under such circumstances the least senior qualified  
14 employee in the affected classification shall be permitted to return in seniority  
15 order to the unit from which the transfers occurred when a vacancy in the same  
16 classification occurs, if the employee(s) so request. The County agrees to notify  
17 the Office of the Federation of Nurses and Health Professionals prior to the  
18 opening or closing of any unit or program.

19  
20 2.321 TRIAL PERIODS/PROBATION

- 21 (1) Upon accepting either an intra-departmental or an inter-departmental transfer, the  
22 employee shall serve a trial period of 520 worked hours to determine ability to perform  
23 the job and desirability to remain on the job. If the employee does not successfully  
24 complete the trial period or desires to return to the former position held, the employee  
25 shall be permitted to return to the former position held if it is vacant. If the position has  
26 been filled, the employee may be relocated to any vacant position in the same  
27 classification in the work unit or department from which the employee transferred. If no  
28 such vacancy exists, the employee may remain in the position and request an immediate  
29 transfer to a position in the same classification in any other department in County service,  
30 or the employee will be transferred back to the first vacancy which occurs in the  
31 employee's classification in the department from which the employee transferred. If no  
32 such vacancy exists, the employee may remain in the position and request an immediate  
33 transfer to a position in the same classification in any other department in County service,

1 or the employee will be transferred back to the first vacancy which occurs in the  
2 employee's classification in the department from which the employee transferred. When  
3 an employee does not successfully complete their trial period and is returned to their  
4 former position, or another position in the same classification, the employee shall do so  
5 with full seniority and whenever practical shall be returned to the same shift.

6 (2) An employee shall serve a new probationary period of 1040 straight time hours worked  
7 whenever the employee accepts a position in a different classification that results in a  
8 promotion. Therefore, an employee who accepts a promotion, or an appointment to a  
9 different classification in the same pay range shall serve a new probationary period.  
10 Employees shall not normally be allowed to file a request to transfer until the completion  
11 of the probationary period. However, such limitations may be waived by management  
12 when deemed mutually advantageous, and the employee will be required to begin a new  
13 probationary period whenever a transfer occurs during the probationary period.

14 (3) Employees who do not successfully complete their probationary period in a position to  
15 which they have been promoted, or who wish to return to their former classification  
16 during their probationary period, shall be permitted to returned to the position from  
17 which they were promoted in the event such a position remains vacant. If such position  
18 has been filled, the County will make every reasonable effort to place such an employee  
19 in another position within the classification from which the employee was promoted, or if  
20 no such vacancy exists, to a position in a title and pay range lower than that from which  
21 the employee was promoted. Employees not returned to their former classification  
22 because no vacancy exists shall be placed on the appropriate layoff recall list.

#### 23 24 2.34 SENIORITY DEFINED

25 (1) For all purposes where it applies, bargaining unit seniority shall be measured by the length  
26 of an employee's continuous service with Milwaukee County as follows:

27 a. Employees' seniority shall be based on total straight time paid, regardless of  
28 whether full or part-time or type of appointment. If two or more employees have  
29 the same number of total straight time hours worked or where other employees  
30 have the same date of hire, they shall be placed on the seniority list in alphabetical  
31 order. Employees' seniority as defined above shall be computed prior to February  
32 1, May 1, August 1, and November 1. Seniority for new employees not appearing  
33 on the above list shall be based on date of hire.

- b. Service time accrued by an employee on and after September 8, 1989, while in an administrative position will not be computed for the purpose of competitive seniority.
- c. Non-bargaining unit employees, hired into a bargaining unit position after January 1, 2010, will receive 50% credit towards their seniority for their years of County service.

(2) An employee's seniority is broken when the employee:

- a. Is discharged;
- b. Resigns with a break in service exceeding 30 days;
- c. Is laid off for a period of three (3) two years and one day;
- d. Retires;
- e. Does not return at the expiration of an authorized leave of absence;
- f. Is terminated for more than 30 days from a temporary appointment, emergency appointment, a regular appointment during probation, or a re-evaluation period imposed by the Personnel Review Board.

(3) Whenever it appears in this Agreement, the term "seniority" shall mean the right established as a result of an accumulation of County service to achieve preferential treatment over other bargaining unit employees competing for a specific adjustment relating to hours or conditions of employment. Seniority as used in that context shall have no bearing on an employee's entitlement to economic benefits predicated upon length of service.

### 2.35 ORIENTATION

- (1) Orientation shall be provided for all new employees, including transferees. Objective criteria will be developed and utilized uniformly with all orientees. Employees on orientation will not be included as part of the staffing pattern.
- (2) No employee shall be released from orientation unless there is a mutual agreement of those responsible for employees' orientation, including the in-service department where applicable, after joint evaluation with the orientee. If no agreement is reached, recommendations of this group shall be submitted to administration within one week for a decision.
- (3) Employees completing orientation will be notified in writing of same.

1 (4) A representative of the Federation of Nurses and Health Professionals shall be permitted  
2 to meet with newly hired bargaining unit employees for thirty (30) minutes at employee  
3 orientation conducted by Administration. The purpose of the meeting is to distribute  
4 copies of the current Agreement between Milwaukee County and the Federation as well  
5 as material explaining the functions of the Federation to the employees. This material is  
6 subject to the approval of the appointing authority before distribution. The County  
7 reserves the right to terminate this provision at any time if the Union presents any  
8 material which is libelous, scurrilous, or in any way detrimental to the labor-management  
9 relationship  
10

11 2.36 PROFESSIONAL PRACTICE COMMITTEE

- 12 (1) In the interest of improving the practice of nursing and the quality of patient care and  
13 maintaining good channels of communication, Professional Practice Committees will be  
14 initiated. These committees will be advisory in nature relative to the practice of nursing  
15 and the quality of patient care. Meetings of these committees shall be held at least  
16 monthly. Agenda items shall be any issues acceptable to the committee members that are  
17 concerned with improving nursing practice or patient care.  
18 (2) There shall be committees of this nature at Correctional Institutions and Behavioral  
19 Health Division. Time spent in meetings shall be considered as hours worked.  
20

21 2.37 EMPLOYEES' SAFETY

- 22 (1) The Federation and the County mutually agree that employees' and public safety is a  
23 primary concern and that every effort shall be made to promote safe equipment, safe  
24 work habits and safe working conditions. To that end, the Federation shall have one  
25 advisory representative on the Employee Safety Committee of the Behavioral Health  
26 Division and one representative on the County Safety Committee. When minutes of the  
27 Committee meetings are kept, a copy thereof shall be forwarded to the Federation of  
28 Nurses and Health Professionals.  
29 (2) The County shall maintain an immunization record on all employees with respect to the  
30 following communicable diseases:

Mumps	Chicken Pox	Tuberculosis

1 Such information shall be obtained from all current employees and new hires. If a non-  
2 immune employee is exposed to one of these diseases off the work site he/she shall  
3 expeditiously inform their immediate supervisor. In such instances management shall  
4 have the option of reassigning said employee or requiring the employee to liquidate  
5 accrued time off, which includes sick leave, during the period of contagion. If the  
6 employee is exposed to communicable diseases at his/her place of employment,  
7 management shall have the option of reassigning said employee or granting the employee  
8 a leave of absence with pay (not to be deducted from accrued off-time) for the period of  
9 contagion.

13 be required to immediately present such Summons to the employee's supervisor and  
14 indicate the dates on which the employee will be required to serve.
- 15 (2) An employee who reports for jury duty on a regularly scheduled workday shall be paid  
16 for that day at the employee's regular rate, excluding premiums of any kind. Employees  
17 assigned to the second or third shift shall be considered as being assigned to the first shift  
18 during period of jury duty.

5 2.40 CHANGES IN CLASSIFICATION

6 (1) When, in the judgment of the Federation, a position or group of positions in the  
7 bargaining unit is improperly classified because of changes in the duties or  
8 responsibilities, the Federation shall submit its recommendations for reclassification in  
9 writing to the Director of the Division of Human Resources. All requests shall include an  
10 updated position description, detailed information regarding the duties assigned to the  
11 position, a summary of the change in duties and other pertinent information in a format  
12 designated by the Director of Human Resources. The Director of Human Resources shall  
13 review the duties assigned to the position as well as any other information provided and  
14 submit a recommendation to the Union.

15 (2) In the event the Union concurs with the recommendations of the Director of Human  
16 Resources to reclassify a position, the recommendation shall be included in a report  
17 distributed to all County Board Supervisors.

18 (3) In the event the Union does not concur with the recommendation of the Director of  
19 Human Resources, both parties may request or provide such additional information as  
20 may clarify the appropriate classification for the position. After reviewing the additional  
21 information, if both parties concur that a reclassification is appropriate, the  
22 recommendation of the Director of Human Resources shall be included in a report  
23 distributed to all County Board Supervisors.

24 (4) In the event the Union and the Director of Human Resources cannot agree on the  
25 appropriate classification for an existing position, either party may appeal to the  
26 Personnel Committee within 30 days of receiving notice of the Director of Human  
27 Resources final recommendations. Both parties shall submit a written summary of the  
28 rationale for their opinion to the Personnel Committee as well as any other information  
29 deemed appropriate. The decision of the County Board on the Personnel Committee  
30 recommendation, subject to review by the County Executive, shall be final and if a  
31 change in classification is approved, it shall be implemented the first day of the pay  
32 period following that in which a resolution adopted by the County Board has been  
33 approved by the County Executive.

- 1 (5) Monthly while a reclassification is pending, the Director of Human Resources shall  
2 provide a report to the Personnel Committee which lists all position reclassification  
3 which the Director intends to approve, along with a fiscal note for each. This report shall  
4 be distributed to all County Supervisors and placed on the Personnel Committee agenda  
5 for informational purposes. If a County Supervisor objects to the decision of the Director  
6 of Human Resources within seven working days of receiving this report, the  
7 reclassification shall be held in abeyance until resolved by the County Board upon  
8 recommendation of the Personnel Committee, and subsequent County Executive action.  
9 If no County Supervisor objects, the reclassification shall be implemented the first day of  
10 the first pay period following the meeting of the Personnel Committee and in compliance  
11 with collective bargaining agreements. In the event the County Board takes no action on  
12 a reclassification, after receipt of a recommendation from the Personnel Committee, the  
13 reclassification shall be implemented the first day of the first pay period following action  
14 by the County Executive or, in the event of a veto, final County Board action.

8 provisions of 2.08

14 expenses to be paid with pre-tax income. Such program will be administered by a vendor, to be selected  
15 by Milwaukee County, and shall be in conformance with state and federal regulations.  
16

#### 17 2.46 EMPLOYEE LIABILITY

18 If the defendant in any action or special proceeding is a public employee and is proceeded against  
19 as an individual because of acts committed while carrying out the employee's duties as an employee and  
20 the jury or the court finds that such defendant was acting within the scope of the employee's  
21 employment, the judgment as to damages and costs entered against the employee in excess of any  
22 insurance available to the employee shall be paid by the County of which the defendant is an employee.  
23 Regardless of the results of the litigation, the governmental unit, if it does not provide legal counsel to the  
24 defendant employee, shall pay reasonable attorney's fees and costs of defending the action, unless it is

26 Failure by the employee to give notice to the employee's department head of action or special proceeding  
27 commenced against the defendant employee as soon as reasonably possible is a bar to  
28 recovery by the employee from the County of reasonable attorney's fees and costs of defending the  
29 action. The attorney's fees and expenses shall not be recoverable if the County offers the employee legal  
30 counsel and the offer is refused by the defendant employee.

11 from other employees who have elected to donate accrued time off to the employee in  
12 need of such time. Employees shall be permitted to donate, in increments of one hour,  
13 accrued vacation time, personal time, or holiday time to a designated employee who has

25 the employee form and have the attending physician complete the disability  
26 statement and return both forms to the Department of Human Resources, marked  
27 confidential.

29 the Department of Human Resources receives the completed application and  
30 physician's statement and verifies that the employee meets the requirements of  
31 having no available time and that the employee has a potentially terminal illness.

- 1 (d) Milwaukee County and the Department of Human Resources reserve the right to

- 8 (f) Employees who are eligible and receive donations of time shall have any time  
9 donated to them added to the employee's sick allowance balance. Employees may  
10 receive donations of time after their eligibility for the program has been  
11 determined and as long as they are determined to have a potentially terminal  
12 illness.

13 (3) Employees Requesting To Donate Time

- 14 (a) Any employee wishing to donate accrued time must complete an Application to

- 28 (f) The employee named to receive the donation of time can only use any time  
29 donated. The employee who donated the time shall not have any time returned to  
30 his/her accrued balances if the employee to whom the time is donated does not  
31 utilize all of the donated time.
- 32 (g) The decision to donate time cannot be rescinded once the Application to Donate  
33 Time has been received and approved by the Department of Human Resources.

- 1 (h) The Department of Human Resources shall not make a recommendation as to  
2 which eligible employee should benefit from the donation of time or the amount  
3 of time any eligible employee requires.
- 4 (i) The Department of Human Resources shall maintain a listing of employees  
5 determined to be eligible to receive donations of time.
- 6 (j) An employee may choose to donate time to another employee even though the  
7 employee receiving the donation of time is in a different department or a different  
8 bargaining unit.

10 PART 3

11  
12 3.01 ROLE OF THE REGISTERED NURSE

- 13 (1) The County recognizes that the registered nurse is responsible for the direct and/or  
14 indirect total nursing care of patients and that the proper utilization of nursing skills  
15 requires that various supportive personnel and services are provided to assist the nurse in  
16 giving nursing care.
- 17 (2) The nurses must and shall have authority commensurate with their responsibility for  
18 directing the work of the various auxiliary and nursing personnel who are assigned to  
19 nursing units to perform various tasks which are a part of total nursing care.
- 20 (3) The County will make every reasonable effort to implement the principle of relieving the  
21 registered nurse of such tasks as cleaning units following patients' discharge, delivering  
22 drugs from pharmacy to the wards and correctional institutions, transporting stable  
23 patients and their records, transporting specimens and performing clerical duties.
- 24 (4) The County agrees that relief from nonprofessional tasks is desirable in allowing nurses  
25 to perform the duties for which they were educated and will make every effort to  
26 implement the transfer of such nonprofessional duties to other services or auxiliary  
27 personnel.
- 28 (5) The parties further agree that it is the County's responsibility to attempt to provide  
29 adequate numbers of registered nurses and auxiliary nursing personnel on all shifts as  
30 necessary, consistent with sound practices, and to fill approved vacancies as soon as  
31 possible in order to provide safe and adequate nursing care and to make maximum  
32 utilization of the training and competencies of all nursing personnel.

1 3.02 EMPLOYEE LISTS

- 2 (1) The County shall supply the Federation with a monthly list of any hires and terminations  
3 within its bargaining unit. The lists shall contain the names, addresses, phone numbers,  
4 classification, and hourly rate of pay and be listed within work units established for check  
5 distribution purposes.
- 6 (2) The County shall notify the Federation whenever an employee is promoted out of,

8 Sec. 4.03(1) who will hold an immediate hearing and issue a bench decision solely on the  
9 appropriate individual employees necessary to be retained outside of seniority order for

9 (1) Effective in accordance with the referendum conducted by the Wisconsin Employment  
10 Relations Commission on July 13, 1973, and each pay period thereafter during the terms  
11 of the current collective bargaining Agreement between the parties, and unless otherwise  
12 terminated as hereinafter provided, the employer shall deduct from the biweekly earnings  
13 of the employees specified herein an amount equal to each such employee's proportionate  
14 share of the cost of the collective bargaining process and contract administration and pay  
15 such amount to the treasurer of the certified bargaining representative of such employees  
16 within 10 days after such deduction is made, provided:

17 (a) That as to employees in the employ of the employer as of the effective  
18 date of this agreement, such deduction shall be made and forwarded to  
19 the treasurer of the certified bargaining representative from the  
20 biweekly earnings of all bargaining unit employees.

21 (b) That such deduction shall be made and forwarded to the treasurer of the certified  
22 bargaining representative from the biweekly earnings of new bargaining unit  
23 employees in the first full pay period following the employees' date of hire.

24 (c) In order to insure that any such deduction represents the proportionate  
25 share of each employee in the bargaining unit of the cost of collective  
26 bargaining and contract administration, it is agreed as follows:

- 27 1. That prior to the implementation of the agreement, the Federation shall  
28 submit to the County a schedule of monthly dues levied by its  
29 organization.
- 30 2. Any increase in dues or fair share amounts to be deducted shall be  
31 certified by the Federation at least 15 days before the start of the pay  
32 period the increased deduction is to be effected.

1                   3.     The Federation agrees that no funds collected from non-members under  
2                   this fair share agreement will be allocated for, or devoted directly or  
3                   indirectly to, the advancement of the candidacy of any person for any  
4                   political office.

5                   4.     The County agrees to honor voluntary contribution deductions for political  
6                   purposes from bargaining unit employees. Such contributions shall be  
7                   handled as payroll deductions on a biweekly basis.

8           (2)    In the event during the continuance of its recognition, the Federation, its officers, agents or  
9           employees, or any of its members, acting individually or in concert with one another, engage  
10          in or encourage any Federation authorized strike or work stoppage against the County,  
11          including any of its departments and/or agencies, the deductions and payments of fair share  
12          contributions made in accordance with this agreement, including deductions or payments  
13          made to the Federation on behalf of employees who have signed and have on file current dues  
14          deduction (voluntary checkoff) cards, shall be terminated forthwith by the County.

15                Thereafter, for a period of one year, measured from the date of the onset of such strike  
16          or work stoppage, no deductions whatever shall be made from the earnings of any employee  
17          nor shall any payment whatever be made to the treasurer of the Federation on account of dues

25          officials in writing of such occurrence. The Federation shall, as promptly as possible,  
26          denounce the strike, work stoppage, slowdown or other interference with any phase of the  
27          County's operation and order its members to return to work. Good faith compliance with  
28          these requirements will stay the effect of par. (2). Failure on the part of the Federation to  
29          immediately denounce the strike, work stoppage, slowdown or other interference with County  
30          operations, and/or to order its members back to work, shall constitute an admission on the  
31          Federation's part that such strike, work stoppage, slowdown or other interference with County  
32          operations is authorized.

1 (4) In the event the provisions of this fair share agreement are successfully challenged by any  
2 person affected thereby, and it is determined by an administrative body or a court of  
3 competent jurisdiction that the deductions made pursuant to the provisions hereof are in any  
4 manner in conflict with the rights of the challenging party as those rights are affected by Ch.  
5 63, Wis. Stats., or other provisions of law applicable to public employment, which  
6 determination results in an order or judgment against Milwaukee County requiring that it  
7 repay to the challenging party and/or to any or all members of the class represented by such  
8 challenging party such sums as have been deducted from their earnings in accordance with the  
9 provisions hereof, the Federation agrees to indemnify the County in full, including any and all  
10 costs of interest which may be a part of such order or judgment, for all sums for which the  
11 County has been determined to be liable.

12 During the pendency of any action brought challenging the provisions of this fair  
13 share agreement or the right of the Federation and the County to enter into such an  
14 agreement, all sums which the County has agreed to deduct from the earnings of  
15 employees covered by the agreement and transmit to the treasurer of the Federation,  
16 except sums deducted pursuant to voluntary checkoff cards on file with the employer,  
17 shall be placed in trust with a Milwaukee bank pending the ultimate disposition of such  
18 action. In the event the outcome of such action favors the continuance of the fair share  
19 agreement, the monies held in trust, together with one-half of the interest earned thereon,  
20 shall be paid to the Federation upon entry of judgment in such action. The balance of the  
21 accrued interest shall be paid to Milwaukee County.

8 (c) Procedures to be followed when initiating a written grievance:

- 9 1. The employee alone or with employee's steward shall cite the specific  
10 language of the rule, regulations or contract provision that was alleged to  
11 have been violated at the first step of the grievance procedure.
- 12 2. The employee alone or with employee's steward shall in writing provide  
13 the employee's immediate supervisor designated to hear grievances a  
14 detailed explanation as to when, where, what, who, and why the employee  
15 believes that employee's contractual rights have allegedly been violated.  
16 The written Grievance Initiation Form shall contain the date or time that  
17 the employee alleges that employee's contractual rights have been  
18 violated.
- 19 3. The employee alone or with employee's steward shall specifically detail  
20 the relief the employee is requesting. The specific relief being requested  
21 shall be in writing. The requested relief at the written step of the  
22 grievance procedure shall remain the same through all steps of the  
23 grievance procedure.
- 24 4. If more space is required than is provided for on the Grievance Initiation  
25 Form in order to comply with the provisions of this section, the employee  
26 shall be permitted to submit written attachments to said form.
- 27 5. The Grievance Initiation shall be prepared by the employee or with  
28 employee's steward in a manner that is neat, clear, and discernible to a  
29 third party. The grievant(s) must sign the grievance. A minimum of three  
30 (3) signatures are required for a group grievance. Failure of the grievant(s)  
31 to sign the grievance shall bar the grievance from being processed.
- 32 6. Failure on the part of the employee alone or with the steward to follow  
33 section 4.02 (6) (c) 1, 2, 3, 4, or 5, shall make the Grievance Initiation

1 Form null and void and the employee's immediate supervisor designated  
2 to hear grievances shall return the Grievance Initiation Form to the  
3 employee for corrections.

- 4 7. The procedures outlined in 4.02 (6) (c), 1, 2, 3, 4, 5, and 6 are to clarify  
5 the grievance process. These procedures shall not be used as a bar to the  
6 right of an employee to file a grievance. These procedures are to assist the  
7 employee and management in the resolution of grievances at their lowest  
8 level of the grievance procedure. It is understood by the parties that  
9 should a dispute arise as to the intent of this section, the President or her  
10 designee and the Director of Labor Relations and/or his designee will meet  
11 to discuss the dispute and resolve it to the mutual satisfaction of both  
12 parties.

13 (7) STEPS IN THE PROCEDURE

14 (a) STEP 1

- 15 1. The employee alone or with employee's representative shall explain  
16 employee's grievance verbally to employee's supervisor designated to  
17 respond to employee grievances  
18 2. The supervisor designated in paragraph 1 shall within 3 working days verbally  
19 inform the employee of supervisor's decision on the grievance presented.  
20 3. If the supervisor's decision resolves the grievance, the decision shall be  
21 reduced to writing on a Grievance Disposition Form within 5 working days  
22 from the date of the verbal decision and a copy of said disposition shall be  
23 immediately forwarded to the Director of Labor Relations.

24 (b) STEP 2

- 25 1. If the grievance is not settled at the first step, the employee or employee's  
26 representative shall prepare the grievance in writing on the Grievance  
27 Initiation Form and shall present such form to the supervisor designated in  
28 step 1 to initial as confirmation of supervisor's verbal response.

29 (a) The employee alone or with employee's steward shall fill out the  
30 Grievance Initiation Form pursuant to Section 4.02 (6) (c), 1, 2, 3,  
31 4, 5, and 6 of this Agreement.

- 32 2. The employee or employee's representative after receiving confirmation  
33 shall forward the grievance to employee's appointing authority or to the

1 person designated by the appointing authority to receive grievances within  
2 5 working days of the verbal decision.

3 3. The person designated in (7)(b) 2. above will schedule a hearing with the  
4 persons concerned and within 15 working days from date of service of the  
5 Grievance Initiation Form, the Hearing Officer shall inform the aggrieved  
6 employee, the Federation, and the Director of Labor Relations in writing  
7 of the hearing officer's decision.

8 4. Those grievances which would become moot if unanswered before the  
9 expiration of the established time limits will be answered as soon as  
10 possible after the conclusion of the hearing.

11 If the grievance is not resolved at Step 2 as provided, the  
12 Federation shall refer such grievance within 15 working days to Step 3.

13 (c) STEP 3

14 1. The Director of Labor Relations or designee shall attempt to resolve  
15 all grievances timely appealed to the third step. The Director of  
16 Labor Relations or his/her designee shall respond in writing to the  
17 union within 45 calendar days from the date of receipt by the Director  
18 of Labor Relations of the second step appeal.

19 2. In the event the Director of Labor Relations or designee and the  
20 President or designee of the Federation mutually agree to a resolve of  
21 the dispute it shall be reduced to writing and binding upon all parties  
22 and shall serve as a bar to further appeal. The President, or his/her  
23 designee of the union shall mail, with the appropriate union signature  
24 to the Director of Labor Relations' office, the Director's disposition  
25 indicating the union's approval or disapproval of said third step  
26 disposition. The union shall return the third step disposition within 45  
27 calendar days of the third step decision. Failure of the union to  
28 respond shall mean the grievance is withdrawn and it is null and void  
29 and will not be processed further.

30 (d) STEP 4

31 1. If the grievance is not settled at Step 3, the Federation may refer such  
32 grievance to arbitration. Such reference shall be made within 45 days  
33 from the date of the conclusion of Step 3.

- 1 (8) The first and second step hearing officers shall forward a copy of their disposition to the  
2 Division of Labor Relations at the same time they notify the grievants of their disposition.  
3 The Director of Labor Relations or his/her designee shall have the unilateral authority to  
4 modify any grievance disposition rendered in Step 1 and/or Step 2 and shall within five (5)  
5 days of the disposition, notify the union and the department of any such modification. Within  
6 fifteen (15) days a Step 3 hearing shall be held.
- 7 (9) No grievance shall be initiated after the expiration of 90 calendar days from the date of the  
8 grievable event, or the date on which the employee becomes aware, or should have become  
9 aware that a grievable event occurred, whichever is later. This clause shall not limit  
10 retroactive payment of economic benefits for which it has been determined the County is  
11 liable nor would it prohibit a prospective adjustment of an ongoing situation.
- 12 (10) Representation at hearings on group grievance, shall be limited to two aggrieved employees  
13 and Federation representatives, not to exceed two, except in those cases where the Federation  
14 and the Director of Labor Relations or designee agree that the circumstances of the grievance  
15 are such as would justify participation by a larger number. One employee shall be designated  
16 as the grievant to whom the grievance disposition forms shall be forwarded.
- 17 (11) At each successive step of the grievance procedure, the subject matter treated and the  
18 grievance disposition shall be limited to those issues arising out of the original grievance as  
19 filed.
- 20 (12) In those cases in which an employee elects not to be represented by a Federation  
21 representative, the grievance shall not be resolved in a manner inconsistent with the existing  
22 collective agreement. In such cases, the Office of the Federation shall be notified of such  
23 grievances and the hearing dates.
- 24 (13) A copy of all grievance dispositions shall be promptly forwarded to the aggrieved, a  
25 representative designated on the grievance form, and the office of the Federation.

26  
27 4.03 SELECTION OF ARBITRATOR

- 28 (1) To assist in the resolution of disputes arising under the terms of the Agreement and in order to  
29 resolve such disputes, the parties agree to petition the Wisconsin Employment Relations  
30 Commission to appoint a member of their staff to serve as arbitrator to resolve all grievances  
31 arising between the parties.
- 32 (2) HEARINGS

1 (a) The arbitrator shall have the authority upon referral of a grievance to investigate  
2 such grievance in such manner as in the arbitrator's judgment will apprise the  
3 arbitrator of all of the facts and circumstances giving rise to such grievance to  
4 enable the arbitrator to reach a decision. The arbitrator shall have the authority to  
5 conduct hearings and to request the presence of witnesses. At such hearings both  
6 the County and the Federation may be represented by counsel and may call  
7 witnesses to testify in their behalf. Either party may request that a transcript of  
8 the proceedings be made. Any expenses incurred for witness fees or for the cost  
9 of the reporter and the preparation of transcript shall be borne by the party  
10 requesting the same unless the parties by mutual agreement consent to share such  
11 costs. The fees of the arbitrator shall be divided equally between the parties. The  
12 arbitrator shall complete arbitrator's investigation within a reasonable period of  
13 time and file arbitrator's decision and the reasons therefore in writing with the  
14 Division of Labor Relations.

15 (b) The filing of such grievance shall not stay the effectiveness of any rule, directive  
16 or order which gave rise to such grievance and any such rule, directive or order  
17 shall remain in full force and effect unless rescinded or modified as a result of the  
18 arbitrator's award.

19 (c) Any time prior to the filing of the arbitrator's award with  
20 the Division of Labor Relations, either party may petition the arbitrator to reopen  
21 the record for the purpose of presenting additional evidence.

22 (3) INTERPRETATION OF AGREEMENT

23 Any dispute arising between the parties out of the interpretation of the provisions  
24 of the Agreement shall be discussed by the Federation with the Division of Labor  
25 Relations. If such dispute cannot be resolved between the parties in this manner, either  
26 party shall have the right to refer the dispute to arbitration in the manner prescribed in  
27 par. (1), except as hereinafter provided.

28 The parties may stipulate to the issues submitted to the arbitrator and shall present  
29 to such arbitrator either orally or in writing, their respective positions with regard to the  
30 issues in dispute. The arbitrator shall be limited in arbitrator's deliberations and decision  
31 to the issues so defined. The decision of the arbitrator shall be filed with the Division of  
32 Labor Relations.

33 (4) ARBITRATOR'S AUTHORITY

1 The arbitrator in all proceedings outlined above shall neither add to, detract from  
2 nor modify the language of any civil service rule or resolution or ordinance of the  
3 Milwaukee County Board of Supervisors, nor revise any language of this Agreement.  
4 The arbitrator shall confine himself/herself to the precise issue submitted.

5 (5) FINAL AND BINDING

6 The decision of the arbitrator when filed with the parties shall be binding on both  
7 parties.

8  
9 PART 5  
10

11 5.01 DISCIPLINARY SUSPENSIONS

- 12 (1) In cases where an employee is suspended for a period of 10 days or less by the  
13 employee's department head, pursuant to the provisions of sec. 63.10, Wis. Stats., the  
14 Federation shall have the right to refer such disciplinary suspension to the arbitrator who  
15 shall proceed in accordance with the provisions of Section 4.03(2)(a). Such reference  
16 shall in all cases be made within 60 working days from the effective date of such  
17 suspension. The decision of the arbitrator shall be served upon the Division of Labor  
18 Relations and the Federation. In such proceedings the provisions of Section 4.03(2)(c)  
19 shall apply. The Federation of Nurses and Health Professionals and the Division of Labor  
20 Relations may mutually agree to review a suspension prior to taking the case to  
21 arbitration, provided such a request a made within the sixty (60) working day period.
- 22 (2) In cases where an employee is suspended a second time within a 6-month period, the  
23 employee so suspended shall have right of a hearing before the Personnel Review Board  
24 or the arbitrator on such suspension, but not both. Employees may be represented at such  
25 hearings by counsel or by their certified collective bargaining representative.

26 5.02 REPRESENTATION AT DISCIPLINARY OR DISCHARGE HEARINGS/MEETINGS

- 27 (1) At meetings called for the purpose of considering the imposition of a suspension or the  
28 filing of charges for discharge, the employee shall be entitled to Federation representation  
29 but only at the administrative level at which suspension or discharge may be imposed or  
30 effectively recommended, i.e., at the level of the appointing authority or designee for  
31 such purposes.
- 32 (2) It is understood and agreed that such right is conditioned upon the following:

- 1 (a) At the meeting before the appointing authority or their designee, the employee  
2 may be represented by Federation officials equal to the number of management  
3 officials present at such meeting.
- 4 (b) The meeting at which the Federation official is permitted to be present shall not  
5 be an adversary proceeding. The Federation official may bring to the attention of  
6 the appointing authority or their designee any facts which Federation official  
7 considers relevant to the issues and may recommend to the appointing authority  
8 on behalf of the employ that Federation official considers to be the appropriate  
9 disposition of the matter. The employee shall not be entitled to have witnesses  
10 appear on employee's behalf nor shall the supervisory personnel present at such  
11 meeting be subject to cross-examination or harassment. These restrictions  
12 recognize that the purpose of Federation representative at such meetings is to  
13 provide the employee with a spokesperson to enable employee to put employee's  
14 case before the appointing authority and, further to apprise the Federation of the  
15 facts upon which the decision of the appointing authority or their designee is  
16 made.
- 17 (c) Recognizing that discipline is most effectively imposed as contemporaneously as  
18 possible with the incident leading to such action, it shall be the obligation of the  
19 employee to make arrangements to have employee's Federation representative  
20 present at the time the meeting is set by the appointing authority or their designee  
21 to consider the imposition of such discipline.

22 In order to carry out the intent of this Agreement, written notice of the  
23 meeting shall be provided to the employee and the Federation not less than 48  
24 hours prior to such a meeting, and such notice shall be accompanied by a brief  
25 statement of the basis for the proposed discipline. The inability of the employee  
26 to secure the services of any particular Federation representative shall not be  
27 justification for adjourning such meetings beyond the date and time originally set  
28 by the appointing authority. Prior to setting a time and place for the disciplinary  
29 meeting, the County shall make a full investigation of the matter under  
30 consideration.

- 31 (d) Nothing contained herein shall in any way limit the authority of the supervisory  
32 staff to impose summary suspension where the circumstances warrant such action.  
33 It is understood that a review of the action of the supervisor will be made at the

1 level of the appointing authority or their designee for the purpose of reviewing the  
2 action taken by the immediate supervisor. Meetings to review such summary  
3 suspensions shall be held as soon as practicable at the level of the appointing  
4 authority or their designee. At such meeting the employee shall be entitled to the  
5 rights set forth herein.

6 (e) Following the conclusion of the hearing the employee and the union will be  
7 notified in writing of the results within 7 calendar days.

8 (3) An employee against whom charges for discharge or demotion have been filed shall be  
9 entitled to a hearing on such charges before the Personnel Review Board, where they may  
10 be represented by Counsel or by their certified collective bargaining representative.

11 (4) An employee suspended for 10 days or less shall be entitled to a hearing before an  
12 arbitrator, in accordance with Section 5.01.

13 (5) Regular Pool Nurse (Mental Health), Regular Pool Nurse (Corrections) and RN I (Pool)  
14 shall be eligible for representation in accordance with the provisions of (a), (b), (c), and  
15 (d) of Section 5.02(2).

16 (6) Discipline or discharge shall be administered in a manner consistent with Rule VII,  
17 Section IV, of the Rules of the Civil Service Commission.

### 18 19 5.03 ACCESS TO WORK LOCATIONS

20 (1) Reasonable access to employee work locations shall be allowed to officers of the  
21 Federation and their officially designated representatives for the purpose of processing  
22 grievances or contacting members of the Federation concerning business within the scope  
23 of this Agreement. Such access shall be permitted under the following terms and  
24 conditions:

25 (a) When an employee wishes to initiate a grievance or has been designated as an  
26 employee representative in accordance with Sec. 4.02(2) of this Agreement, to  
27 represent another employee in the grievance procedure, the employee shall not  
28 leave his/her area of work assignment until having received authorization from  
29 employee's immediate supervisor. Notification of participation in the grievance  
30 procedure shall be made as far in advance as possible. Every reasonable effort  
31 shall be made to excuse such employee to permit Federation representatives to  
32 meet with employees before the end of the shift.

1 (b) When leaving the employee's area of work assignment to participate in the  
2 grievance procedure in another department, the employee shall report his/her  
3 presence to the person in charge of such other department to inform them of the  
4 purpose of his/her visit. The employee shall conclude his/her business as  
5 expeditiously as possible and in such manner as will not interfere with the normal  
6 operations of the department.

7 (c) Upon completion of employee's business, the employee will return to his/her  
8 assigned work area forthwith and shall notify supervision when he/she has done  
9 so.

10 (2) Representatives of recognized employee organizations who are not employees shall be  
11 governed by these procedures insofar as they are applicable.

12 (3) Travel time, when required, shall be governed by the provisions of sec. 3.05 of this  
13 Agreement.

14 (4) Employees engaged in Federation business in accordance with the provisions of this  
15 section during working hours shall suffer no loss of pay or benefits.

#### 16 17 5.04 PERFORMANCE IMPROVEMENT PLAN

18 (1) Employees will be placed on a performance improvement plan (PIP) only after the  
19 County has documented the reason for such action. Placement on the plan must not be  
20 arbitrary and capricious. At the request of the employee, a union representative may  
21 attend the meeting in which formal notice of performance problems will be explained to  
22 the employee. Selection of a union representative shall not delay this scheduled meeting.  
23 Neither the notice to the employee, nor the placement of the employee on such a program  
24 is grievable under this arrangement until such time as the employee receives a written  
25 notice of a disciplinary action under this plan.

26 (2) A performance improvement plan shall include objective measurable criteria to be met  
27 along with reasonable time limits in which to meet the criteria. Management will review  
28 the success of this plan at regularly scheduled intervals identified in the PIP. A copy of  
29 the PIP will be given to the employee, the Director of Nursing or the Department head,  
30 and the Division of Human Resources.

PART 6

6.01 SUCCESSORS AND ASSIGNS

In the event any institution or department in which unit employees are employed is taken over by any other agency, the County will consult with the successor agency in an effort to have such agency recognize the Federation as the bargaining agent for, and hire affected employees under conditions which would maintain in force the present wages, hours, and conditions of employment to which such employees are entitled under the terms of this Agreement.

6.02 ENTIRE AGREEMENT

(1) The foregoing constitutes the entire Agreement between the parties by which the parties intended to be bound and no verbal statement shall supersede any of its provisions. All existing ordinances and resolutions of the Milwaukee County Board of Supervisors affecting wages, hours, and conditions of employment not inconsistent with this Agreement are incorporated herein by reference as though fully set forth. To the extent that the provisions of this agreement are in conflict with existing ordinances or resolutions, such ordinances and resolutions shall be modified to reflect the agreements herein contained.

6.03 SAVING CLAUSE

If any article or part of the Agreement is held to be invalid by operation of law or by any tribunal or competent jurisdiction, or if compliance with or enforcement of any article or part should be restrained by such tribunal, the remainder of the Agreement shall not be affected thereby and the parties shall enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such article or part.

6.04 COLLATERAL AGREEMENTS

From time to time it may be necessary to vary from the terms of this Agreement in order to take into account a unique situation or changing circumstances. When the union and the employer determine that a modification should be made, the parties agree to do so in writing and in compliance with this section of the Agreement.

1. Agreements of this type will be entered into only by the President of the Local or their designee. The signature of the President or their designee on any document reflecting an agreement with the County shall be binding.

- 1
- 2
2. All collateral agreements shall be executed by the appropriate County official and authorized and signed by the Director of Labor Relations.

This Agreement shall remain in full force and effect until replaced by a subsequent Agreement.
